

"Borgobrufa SPA Resort" is located in Torgiano, in the green heart of Italy and Umbria, on a hill overlooking Assisi and Perugia. Completely renovated in 2019, it offers sublime tranquility, hospitality, comfort and wellness. "Borgobrufa SPA Resort" is only open to guests over 18 years of age so that the characteristic quietness of the location can be enjoyed to its fullest.

The vantage point of the 5-star venue enables guests to marvel at the unrivaled views that span from the hills of vineyards and olive groves to the noted art cities of Assisi, Perugia, Gubbio and Orvieto, and even to Spello and Spoleto.

The Resort, which maintains its original typical Umbrian architectural style on the outside, is decentralized and its various facilities relate to tunnels that are perfectly integrated with its surroundings: approximately nine acres of lush, green land, thus ensuring direct contact with nature.

**The Resort, accepts only guests "over 18 years old".**

For extra luxury and exclusivity, 4 thematic Private SPAs are available to guests for their use or for SPA rituals.

The spectacular panoramic view accompanies guests to their meals too, thanks to the big windows in the refined "Ristorante Quattro Sensi" as well as the more intimate "Tempio del Gusto". The cuisine, entrusted to "Chef Andrea Impero", features authentic flavors and Umbrian specialties and is based on prime, strictly seasonal ingredients entirely from Umbrian and local producers. The products are sourced directly in the production area, with direct contact between the Chef and the trusted producer. From breakfast to dinner, each dish is freshly prepared through the rediscovery of cooking techniques from long ago. The new and exclusive Gourmet restaurant "Elementi Fine Dining" promises a unique culinary experience with its degustation menus. Our precious Enoteca wine cellar holds over 350 premium labels, including local, regional, Italian and international wines.

Rounding out a vacation at Borgobrufa SPA Resort are the suggested experiences, such as food and wine tastings and cooking classes, which make any stay even more special.
