100% of Farm to Table food comes from WA State producers, most within 100 miles of Seattle.

**Equity**
- Providing food for 3,000+ children in low-income households

**Community**
- Bringing together 64 childcare centers and over 60 local farms

**Economy**
- Generating $170 in economic activity for every $1 received by WA farmers and >7 jobs gained

**Access**
- Adding 1 fruit option in school lunches can increase the number of fruit servings selected by students by 9.3%

**Environment**
- Sourcing 10% more local food could decrease CO2 emissions by 4,000+ kg in a single school year
