NOTES

San Francisco Youth Theatre is proud to kick off its 10th anniversary with the revival of our first full-length show: *A Midsummer Night's Dream*. This adaptation offers a new twist to the classic story with glam elements devised by longtime San Francisco Youth Theatre artists, Dyana Díaz and Leslie Price. The drama, music, mayhem, and magic that abounds in this production reflects the joy of ten years of transforming the lives of the thousands of students who have gone through SFYT programs.
