Schedule of Tuition & Fees

Church Hill Academy is an independent school that is operated by Church Hill Activities & Tutoring, a 501c3 with an independent governing board of directors and a school board.

All students receive a full or partial scholarship, and no student will pay more than 50% of the total cost of their education. The actual per-pupil cost of a year at Church Hill Academy is approximately $17,000, which is largely funded through generous donations. Some costs are offset through Virginia’s Education Improvement Scholarships Tax Credit program.

In keeping with CHAT’s mission, CHA put into place two new admissions eligibility criteria for incoming students. Priority is given to students from households <120% of the area median income and to students who live within our bus route boundary map. The goal of these parameters is to ensure that CHA primarily serves those residents of Richmond’s East End for whom a private education would ordinarily be cost-prohibitive. CHA also values socio-economic diversity thereby admitting a small percentage of students outside this eligibility criteria.

Aiming for equity, beginning in the 2022–2023 school year, CHA will impose an income-based sliding scale tuition model that acknowledges and accounts for household income disparities in our school community. You can use this tool to calculate your family’s tuition contribution per student.

CHA’s school fees cover the following student expenses:

1. $100 School Supply Fee for all students (3 uniform shirts, a school picture package, Chromebook use)
2. $25 Non-refundable Application Fee (automatically applied to School Fee)
3. $50 Graduation Fee (Seniors only)

Additional, variable costs to families:

1. Extra uniform shirts
2. Yearbooks or supplemental school supplies
3. School-sponsored, off-campus trips

SCHOOL SUPPLY FEES MUST BE PAID IN FULL BY THE FIRST DAY OF SCHOOL.
