

## **Guelph Soccer House League Player Request Policy**

Due to the large number of participants in our House League program, Guelph Soccer has developed a new House League Player Request Policy. When registering a player online for our House League program, a parent/guardian may request their child be placed on a team with another child.

During the registration 'checkout' process, members will find a 'Comments' text box where they can submit requests. Request only one name as described in the conditions below. Failure to comply with the conditions may result in your request not being granted.

The deadline to make a player request is 30 days prior to the season start.

Requests are subject to the following conditions:

- 1) Requests must be one-to-one player reciprocated requests (i.e. both players must have requested they be on the same team as the other).
- 2) Requests are to be made when registering the player online.
- 3) Requests will not be taken after the registration deadline.
- 4) The reciprocal player request must also be made by the deadline.
- 5) Additionally, up to 3 players can be requested to be on the same team, so long as those 3 players' parents are any combination of 1 volunteer head coach, up to 1 volunteer assistant coach, and 1 house league team sponsor.
- 6) Requests are accepted at the discretion of Guelph Soccer; submitting a request is not a guarantee that it will be provided.

Should you wish to make a request for reasons not listed, please submit details in writing to the Executive Director/General Manager of Guelph Soccer. All decisions made by the Executive Director/General Manager are final.
