

2023 Pre-Show Shoutout Form - Mary Poppins

We will be offering shoutouts on the pre-show presentation (on the BIG screen). We are always grateful for our community support and thank you in advance, as this will be a special moment for each student. The slideshow will be shown at all 3 shows! This is digital only. We will not be printing program books (only the show lineup will be given out at the revue). Access to the digital slideshow will be given.
