MEMBER/MANAGER EVENT COVERAGE:

Music Managers Forum-US and Women in Music presented The Managers Panel, in accordance to MMF-US’s goal to educate and provide a forum to discuss the issues and problems facing the music industry manager. The event was held to a capacity-filled audience of young and aspiring managers plus Women in Music and MMF-US members at the corporate offices of BMI on September 17, 2014. Women in Music, in partnership with the Music Managers Forum-US presented this panel of expert music managers who addressed the role a manager plays in today’s industry, strategies that work, strategies that don’t work, anecdotes to inspire and teach us, the economics of being an artist manager, latest issues that are challenging music managers as well as their artists, and much more.
