Experience

Allganize Inc Product Designer

Led Allganize's website redesign, implemented key pages, contributed to Generative LLM development, designed Alli App Discovery, and created inclusive logos & marketing content. Orchestrated the Alli LLM App Market design for global markets.

Apr 2023 - Present

The University of Houston UX Designer

As the sole UX designer for the NEH-funded SYRIOS project, I designed coin catalog pages with dark/light mode. Led the migration to Figma, designed postcards, wireframes, prototypes, and style guides for the Sharing Stories of 1977 project.

Jun 2022 - Apr 2023

Shil.me (Stubs) Founding UX Designer

Led wire-framing and prototyping for website elements, including homepage, registration, news-feed, studio builder panels, shop, user portfolio, and profile. Developed widgets and social media buttons based on user research.

Jun 2022 - Jan 2023

The University of Houston Academic Lab Assistant

Dedicated to grading and supporting students in Digital Photography, I assessed numerous research papers and provided constructive feedback. I also assisted students in mastering Adobe Lightroom Classic from basic to advanced levels.
