

meetings & work retreats

We welcome those who are looking to leave the office for a day or two, and gather in a space that feels inspiring.

In the summer you are welcome to stroll around our abundant gardens and take your coffee break outside on our lovely patio.

As the days get colder you will always find a fire burning, whether it be in the kitchen's wood fired oven or the fireplace in the parlor...

Send us an email, we would love to connect.
