

Welcome to Parlour.

Parlour is an event space and restaurant with a mid-century modern aesthetic. Originally built in 1922, our venue is centrally located in Ottawa's Wellington Village at 1319 Wellington Street West.

We offer a 5,000 square foot venue with turn-key events, in-house catering, wine and cocktail programs, event design styling, audiovisual, and event planning specialists. We work with you to ensure that the coordination of your event is streamlined from start to finish, without surprises. (Unless it's a surprise party; then, yes.)

Our sweet tree lined patio is perfect for a small ceremony, cocktail reception, or late-night lounge to kick back.

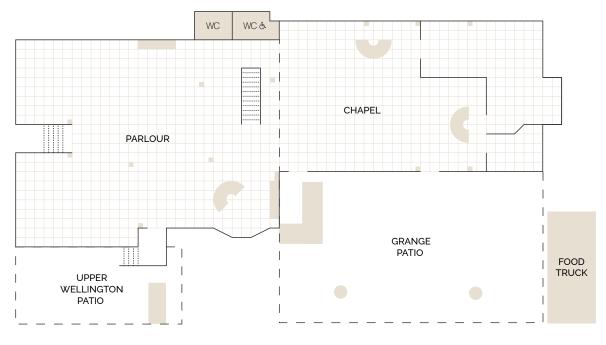

A space of your own making

We love Parlour as it is, but nothing makes us happier than to see it transformed to suit the style and needs of different events. Whether it's just the Chapel or the entire venue, your event specialist will work with you to tailor Parlour to your needs.

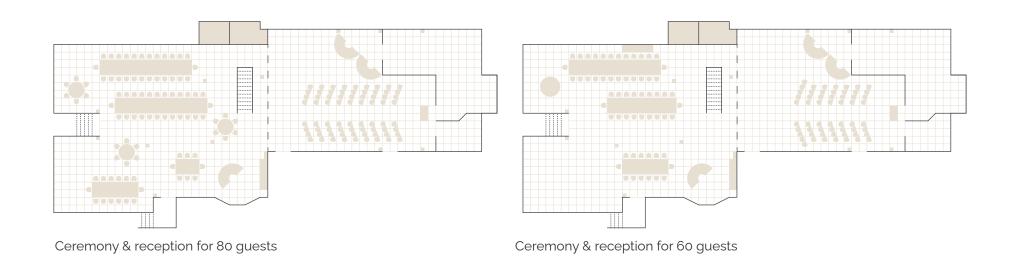

Our space is available for full and partial buyouts. We do not charge room rental fees but rather require that the minimum food and beverage spend be met. The minimum food and beverage spend will vary based on the day of the week, the area of the restaurant, and the duration of your event.

Eat your heart out

Our food menus change seasonally and are based on supply. We prefer to customize our menu packages to tailor them to your guests and unique event plans.

Wedding packages includes a menu tasting for two guests that will take place approximately one month before your wedding date.

We are proud to offer an ever-changing wine list, sourced from small producers across the globe, featuring low-intervention wines that are approachable and consider your needs and palate.

We also offer small-run seltzers, local & craft beers and ciders (you also want bottles of 50? We've got you covered). Our cocktail program is curated in-house and inspired by mood, the season, the classics, and of course, our vintage glassware.

Beverages, both alcoholic and non-alcoholic, can be charged based on consumption or based on the host beverage package of your choice.

Parlour does not allow outside food to be brought in, with the exception of wedding cakes.
