

Research Analyst/Associate

Full-time (APAC Remote)

Company Description

OP Ventures Fund I is a \$50mm+ venture fund dedicated to supporting early stage (pre-seed and seed) projects across the Web 3.0 space, including DeFi, Metaverse/GameFi, DAOs, and infrastructure layers. We're backed by top tier institutional players such as Huobi, Bybit, Galaxy Vision Hill, Digital Currency Group, and Republic, in addition to many notable crypto-native angels. The team has extensive experience in the crypto space as both investors and power users.

OP Crypto has also launched OP FOF I to make strategic investments in emerging venture fund managers with specialized vertical or geographical expertise. OP FOF I is backed by Ledgerprime and Mirana and is the first crypto venture fund of funds exclusively focused on investing in emerging managers on a global-scale.
