

SCREEN FABRIC OPTIONS

UltraVue® 2

- Mesh Size: #1818
- Fabric Thickness: .009"
- Material: Polyester Core Yarn
- Manufacturer: Phifer®
- Superior openness provides increased airflow and more optical clarity for a crisper outward view
- Made with Water Shed Technology™ - keeps the screen cleaner longer and clear of water for maximum viewing clarity

BetterVue®

- Mesh Size: #1818
- Fabric Thickness: .011"
- Material: Fiberglass
- Manufacturer: Phifer®
- Greater openness provides better airflow and more natural light, fresh breezes and optical clarity
- Made with Water Shed Technology™ - keeps the screen cleaner longer and clear of water for maximum viewing clarity

Fiberglass Pool & Patio

- Mesh Size: #1814
- Fabric Thickness: .016"
- Material: Fiberglass
- Manufacturer: Phifer®
- Good outward visibility and air ventilation
- Durable and long lasting
- Extra strength and visibility

SCREEN FABRIC OPTIONS

INSECT | No-See-Um Screen

- Mesh Size: #2020
- Fabric Thickness: .016"
- Material: Fiberglass
- Manufacturer: Phifer®
- Tightly woven to keep out smaller flying insects like no-see-ums, gnats and sand flies
- Provide daytime privacy

TuffScreen®

- Mesh Size: #1713
- Fabric Thickness: .024"
- Material: Vinyl Coated Polyester
- Manufacturer: Phifer®
- Heavy-duty screen for high traffic areas and harsh weather
- Pet resistant and built to last
- 10 - Year Warranty from Phifer®

Textilene® nano™ 50

- Mesh Size: #1714
- Fabric Thickness: .021"
- Material: Vinyl Coated Polyester
- Manufacturer: Twitchell®
- 50% UV blockage
- No UV fading or flaking
- Stronger resistance to punctures & tears
- 15-Year Limited Warranty from Twitchell
