## ACCESSORIES

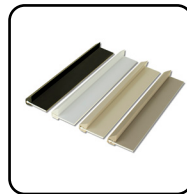

### PLINTH MOUNTING SYSTEM

The Plinth eliminates the mitered corner and helps with openings slightly out of square.

US Patent No. 9518423  
US Design Patent No. D756,536

### ARCH SYSTEM | FLATBAR

Expand your design with SCREENEZE® Flatbar. Flatbar allows you to field build arched openings without both metal bending equipment or a template.

### GAZEBO SYSTEM | WEDGE

The Gazebo Wedge is perfect for both 6 (30°) and 8 (22.5°) sided Gazebos. A labor saving accessory to use with SCREENEZE® to create the correct angle for an easy installation. Compatible with the Flush Plinth Kit.

US Patent No. 9487999
