SERVE AS ONE OF
DEMOCRACY'S ESSENTIAL WORKERS

Working the polls is a big commitment - but it's worth it! A rover in South Philadelphia said "It was really an honor to chat with neighbors and help them cut down their waiting time by confirming their polling place, helping them if they had mail-in ballot questions".

WHY SHOULD YOU SIGN UP TO BE A POLL WORKER?

YOU ENABLE DEMOCRACY TO EXIST IN THE US
Elections cannot happen unless there are enough poll workers to make it happen, and poll worker shortages mean long lines and other issues for voters.

YOU ENSURE YOUR COMMUNITY'S VOICE IS HEARD
More poll workers mean quicker processing of voters. The faster the processing, the shorter the lines, and the less chance there is that people will get out of line and not vote.
