

Legacy Square Open House

March 8, 2022

Thank you to all Hollingsworth Park Residents and Legacy Square Owners/Associates who came out for Tuesday night's Legacy Square Community Open House!

The well attended Open House was hosted by Verdae Development, Inc. (VDI) following completion of the Legacy Square Working Group's creation of a draft vision for Legacy Square (illustrations follow). The Open House provided approximately 175 attendees an opportunity to learn about the draft vision and share their questions/comments/concerns directly with the Planning Team.

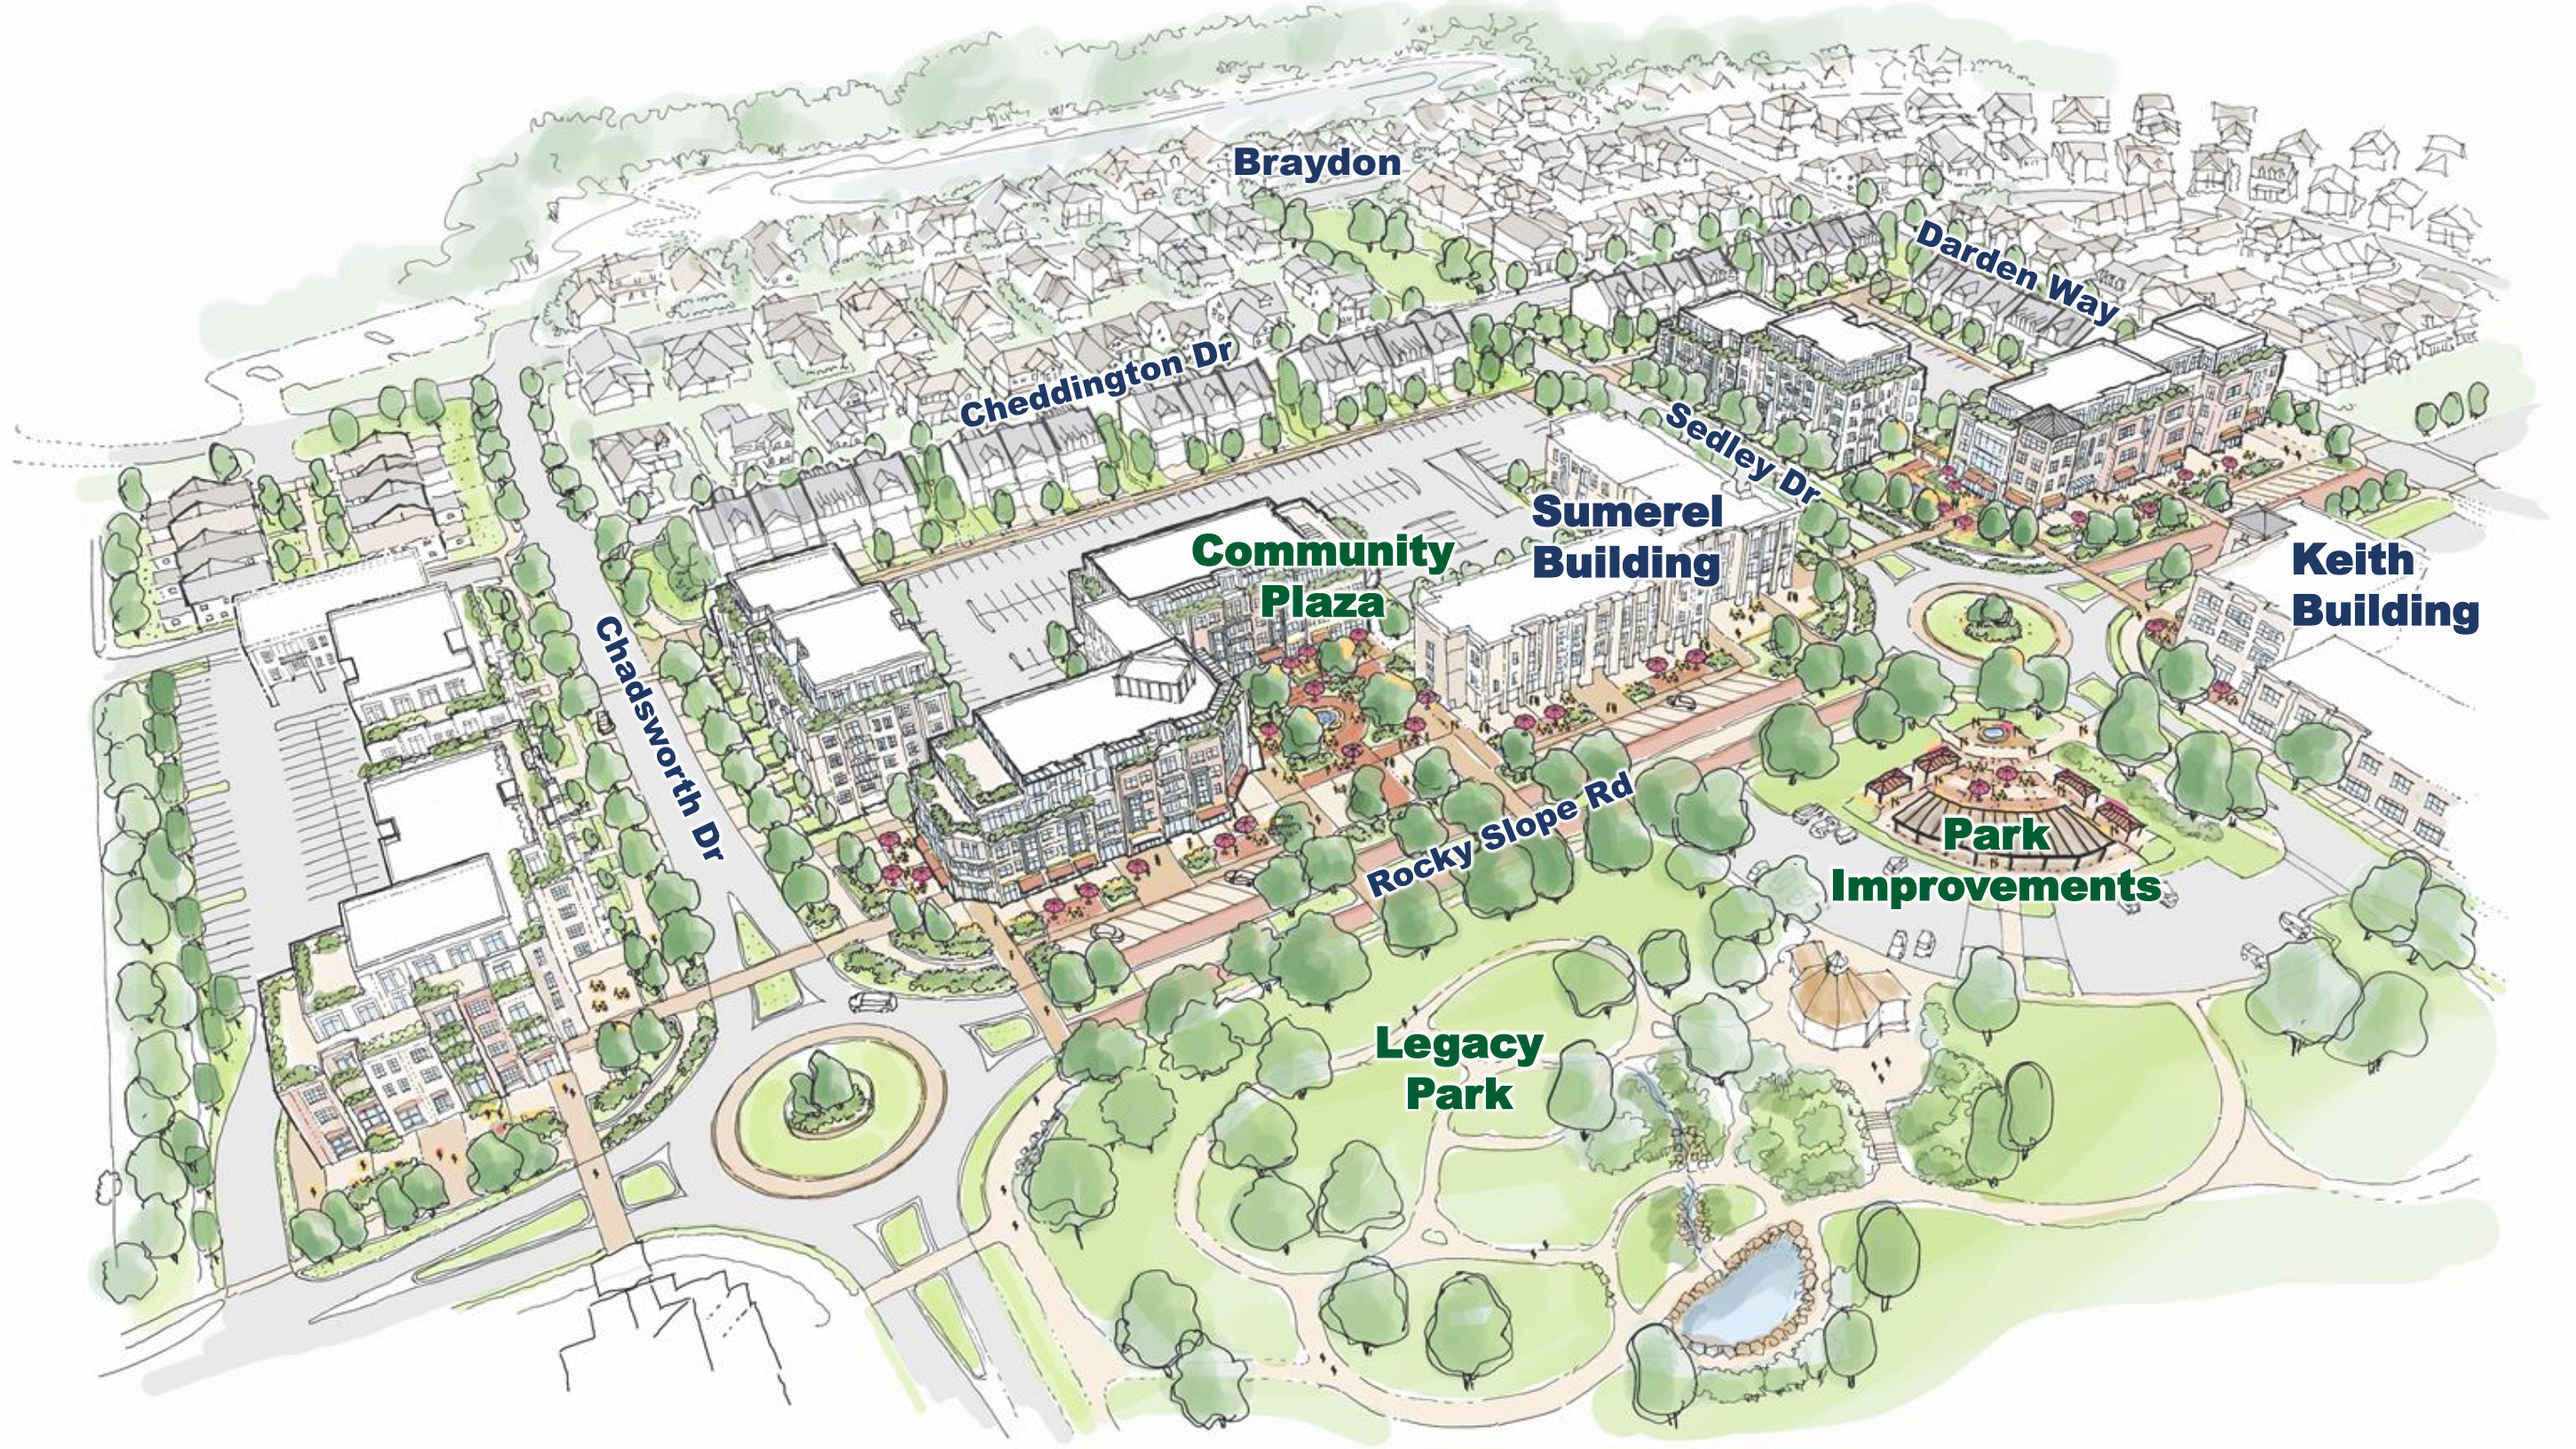

The draft vision was presented through an exhibit-style format organized around key topics: Introduction to the Process, Planning Context, Lessons Learned from other Town Squares, Community Voices, Guiding Principles, and (4) key Themes—Buildings & Architecture, Mix of Uses, Access & Parking, and Public Realm/Open Space.

Members of the Planning Team from Beyer Blinder Belle (architecture and planning) and Kimley-Horn (transportation planning) were present to discuss the vision plan and hear input from stakeholders. The input provided from attendees will further inform the draft vision.

For those unable to attend the Open House event, a Zoom webinar will be scheduled in the coming weeks to review the draft vision and explain next steps. All registered members of [ImagineVerdae.com](https://www.imagineverdae.com) will receive an invitation to sign up for the Zoom event. VDI will also reach out to Hollingsworth Park and Legacy Square property managers to help spread the word about the upcoming Zoom presentation. (date/time TBD).

We look forward to continuing our work with the community on this important project!
