Centralia Beauty College and its advisory committee have considered the feedback received from current students, graduates, and employers of graduates, as well as the school’s outcome rates. Based on the information from the advisory council, Centralia Beauty College has determined that the “Meet & Greet” that we hold have proved helpful in finding employment and placing graduates in local salons. We have decided that holding the event twice a year, in March and October, will be helpful. If we schedule these events more often, attendance is not as good. We will continue to review student test results and look at where students are having the most difficulty and find ways to improve in those areas. We will continue to schedule hair color classes, hair cutting classes, salon management and product knowledge classes from educators in the industry.

Centralia Beauty College does not accept "Ability to Benefit" (ATB) students.

Foreign students must provide evidence that verification of foreign high school diploma has been performed by an outside agency that is qualified to translate documents into English and confirm the academic equivalence to a high school diploma. Forms and agency contact will be provided to student. Verification cost is the student’s responsibility. Students must also complete an entrance interview with our school staff. INSTRUCTOR CADET must also present a valid Washington State Cosmetology or Manicure license.

Please note: after a student completes the course and passes all Washington State Department of Licensing exams and then applies for licensure, they will be asked a series of four background check questions. The Department will assess the answers to those questions and, if it finds sufficient reason, will investigate. If the Department determines there is reason to deny licensure the student will be notified and given an opportunity to appeal the decision. If you have any questions regarding your eligibility for licensure you can contact the Washington State Department of Licensing a (360)664-2550. You can also find further information online in the Washington State RCW 18.235.50. [http://apps.leg.wa.gov/RCW/default.aspx?cite=18.235&full=true#18.235.005](http://apps.leg.wa.gov/RCW/default.aspx?cite=18.235&full=true#18.235.005)
Applications are available by request at info@centraliabeautycollege.com or in person from our Admissions Department located in our facility at 217 S. Tower Ave. Centralia, WA 98531. Application procedures are as follows:

**STEP 1. SCHEDULE A CAREER PLANNING SESSION:**
Call admissions office, to schedule a session and tour. Complete a FAFSA if you plan on using Financial Aid.

Federal School Code: 042747 All students admitted are beyond the compulsory age of attendance. Centralia Beauty College does not admit ability-to-benefit students.

**STEP 2. AT REGISTRATION THE FOLLOWING ARE REQUIRED:**
- Completed application and all necessary enrollment documents (Minimum of Valid ID and High School diploma or equivalent.)
- Sign an Enrollment Agreement/Contract
- Receive Orientation packet
- Pay registration fee (non-Title IV students)

**TRANSFERRING STUDENT**

Students transferring from another school may, upon the school’s review of the students’ previous records and a written and practical review, receive credit toward completion of student learning objective and course requirements. Centralia Beauty College may accept between zero and all the hours a student has accrued from another school. Students that started the program through New Market Skills Center will receive credit for all hours obtained through that program. The transfer student’s SAP evaluation points are the established evaluation points OR the midpoint of the contracted hours, whichever comes first. The attendance rate and academic average is based on those hours accrued at Centralia Beauty College and does not include the hours transferred from the students’ previous school. A student coming into this institution with hours from another institution will have those hours counted towards the purposes of calculating the student’s Maximum Time Frame, but those hours do NOT factor into the student’s SAP attendance and academic averages. Centralia Beauty College does not and will not recruit students already attending or enrolled in another school offering similar programs of study. Washington State Department of Licensing does not recognize hours attended at schools outside of Washington State.

**RE-ENTRY/INTERRUPTIONS/COURSE REPEATS**

Students reentering the program require a personal interview with school administration. After reentry, the student’s SAP evaluation points the established evaluation points, and the attendance rate and academic average is based on those hours, continuing from the point at which the student left the program previously. Students who re-enter the program before a 180 day leave or drop, are placed in the same Satisfactory Academic Progress standing as when they left. If a reenrolling student has previously used all their excused absences provided under their original contract, the student will not receive any additional time for excused absences under the new re-enrollment contract. Students who re-enter the program between 180 days to three years from their last day of attendance are placed in the same Satisfactory Academic Progress standing as when they left. However, they will be treated as a transfer student regarding Satisfactory Academic Progress reviews: The student’s SAP evaluation point is the established evaluation point, and the attendance rate and academic average is based on those hours and does not include the hours accrued from the students’ previous enrollment at the school. In addition, a student may be responsible for any previous overtime charges that had previously accrued, but not yet assessed. Outstanding tuition, fee, and overtime expenses must be paid in advance, or the student must make satisfactory arrangements with the Financial Aid Leader. Previous tuition payments will be credited to the student’s balance. Because tuition fees and costs are subject to change, reentering students will be contracted according to the current tuition costs and will be required to pay any additional fees if applicable. Students will also pay a $100.00 reentry fee. The Washington State Department of Licensing does not recognize any hours a student may have accrued in a program after three years from a student’s last day of attendance in
that program. Any student wanting to re-enter the program again, after that three-year mark, must repeat all hours of the program.

ATTENDANCE POLICY
As a student at Centralia Beauty College, whether you are attending through funds provided by Financial Aid, through funding of your own or on contract with the school, you are responsible to attend school in accordance with the schedule you have selected. As there is a limited number of absences allowed in your contract, you must be certain that you can commit to your schedule before you enroll in a program. Excessive absences and tardiness are grounds for termination.

ABSENT AND TARDY
Centralia Beauty College allows a limited number of absences for each evaluation period. Centralia Beauty College considers “Excessive Absenteeism or Tardiness” for the Cosmetology program to having an unexcused absence or tardy for more than four (4) scheduled days in either of the first two evaluation periods and more than three (3) scheduled days in either of the last two evaluation periods.

Centralia Beauty College considers “Excessive Absenteeism or Tardiness” for the Manicuring program to having an unexcused absence or tardy for more than three (3) scheduled days in either of the two evaluation periods.

Only absences that are documented by a care provider or other certified official are considered "Excused." All other absences are considered "Unexcused." For example: Calling in sick and then arriving to school the next day without a verifiable note from a care provider or other certified official, is considered Unexcused. Being tardy is looked upon as an absence in any circumstance and will be reflected on your attendance record as such.

SCHEDULE
Upon registration with Centralia Beauty College you will establish an attendance schedule. Having a varying schedule from week to week is not allowed. Adhering to your schedule is imperative to your progress in your program. Centralia Beauty College will allow you to change your schedule only once while enrolled. The change will need to match one of our published schedules (found in our Catalog). You may adjust your schedule for work, verifiable medical issues, or childcare. Other functions outside of the school will not be taken into consideration when requesting a schedule change. A student must be meeting Satisfactory Academic Progress to be eligible for a schedule change. A student may not request a schedule change due to failing Attendance or Academic reasons. Before enrolling in a program, please be sure you have established with your employer, daycare provider or any other parties, a schedule that will allow uninterrupted attendance while enrolled. Absences will only be excused with documentation from a care provider or other certified official. To return to class, you must present the documentation to a school official.

LEAVING EARLY
Leaving early is not permitted unless there is a medical emergency to the student or a direct family member. To return to class after leaving for such an emergency, the student will be required to provide verifiable documentation from a care provider or other certified official. Should a student fail to return to class after a scheduled break, or is late in returning, such as lunch or afternoon break, they will be marked as absent for the remainder of the day and not be allowed to clock in the for the following school day. If a student leaves early, it will be looked upon as an absence and treated as such. Habitually leaving early or returning late from a break will be cause for termination.

ARRIVING LATE
Students must call the school and speak to an instructor if they are going to be late or absent. If you are going to be late or absent you must call the school before 8:30am and speak to and instructor. If arriving late, upon arrival you will not be allowed to clock in until 9:30am, so as not to disrupt the morning Theory class. If you arrive after 10:00 am you will not be allowed to clock-in and will be considered to have an unexcused absence for the day. Excessive absences can lead to “Make-up hours” at the end of a students contract. See “Make-up hours” in the school catalog. Remember, any tardy is counted as an absence.

LEAVE OF ABSENCE
If an extended amount of time is required away from the school, you may be eligible for a Leave of Absence. To be eligible for a Leave of Absence a student must meet the requirements set forth in the Leave of Absence Policy. Please see our Leave of Absence Policy for further details.

AFFECT ON CREDIT BALANCE DISTRIBUTIONS
For students that are enrolled using Financial Aid, Absenteeism and Tardiness will also affect the rate at which funds are disbursed to your account and to you. For timely disbursement of your funds, it is essential that you attend school as scheduled. We strongly suggest that you make certain school is a priority for you before you enroll, as continued absences can be detrimental to your eligibility for enrollment. If a students enrollment were to be terminated, there will most likely be
a balanced owed to the Department of Education, Centralia Beauty College, or both. Please see our Withdrawal and Settlement Policy for further details.

**WARNING AND PROBATION**

As per the Satisfactory Academic Progress Policy, attendance performance is evaluated on a cumulative basis, with at least 75% of the contracted attendance scheduled for full or part-time students. The school allows for the status of Warning for students who are not considered meeting minimum standards for satisfactory academic progress by falling below a 75% attendance rate if: a student has not achieved the minimum cumulative rate of attendance of 75% and can meet Satisfactory Progress by the next evaluation period. After the Warning period the school allows for the status of Probation. For students whose progress is evaluated and determined to not be meeting minimum standards for satisfactory academic progress during the Warning period they may obtain a “Probation” status. To obtain “Probation” status a student must prevail by appealing. The criteria for Warning, Probation and Appeals are contained in the school's Satisfactory Academic Progress Policy, Section B.2.a-d.

**MAKEUP WORK**

Students will have the opportunity to “Make-up Hours” only when the student has an excused absence. (Unexcused absences are not eligible for “Make-up Hours”.) Those hours will be allowed to be made up at a time when the student is not normally scheduled to attend class. For example, a student attending part-time Tuesday through Friday, may make-up hours on a Saturday. Any “Make-up Hours” must be approved prior to being completed, by the school manager. Please, be aware that any absence or tardy will count against your allowed days of absence, whether they are excused or unexcused, and this may affect the number of hours, if any, you have left at the end of your program. Any remaining hours a student has left to attend as of their contract end date are charged at $10.00 per hour, until the course is completed, or the student withdraws.

**NON-DISCRIMINATION STATEMENT**

Centralia Beauty College, in its admission, instruction, and graduation policies and practices, does not discriminate based on sex, race, religion, age, ethnic origin, color, disability, sexual orientation, or ancestry. The school does not allow or tolerate discrimination of any kind, bullying, harassment, or hazing of any sort. If any student or team member experiences or witnesses anyone being bullied, harassed, or hazed in any way, he or she is required to report the matter to the school's manager, Paula Brenner. (Designated to coordinate Centralia Beauty College compliance with the requirements of Section 504, as required by 34 Code of the C.F.R. § 104.7(a).), in person or by calling (360)736-2866, or by mail at 217 S. Tower Ave. Centralia, WA 98531, immediately so appropriate action can be taken.

All service members of the armed services will not be denied admissions, based on reasons related to their service.

**STUDENTS RIGHT TO KNOW/JOB PLACEMENT/PERFORMANCE STATISTICS**

Centralia Beauty College maintains contacts in the Cosmetology, Manicure, and Instructor Cadet professions to assist students in job placement. Employers are encouraged to interview students, and every effort is made to secure a job opportunity for each graduate. Students are prepared in the latter part of training to seek employment. Job opportunities are announced and posted at www.centraliabeautycollege.com. While Centralia Beauty College cannot guarantee employment for graduates, assistance in finding suitable employment is provided by posting area job openings on a career opportunities bulletin board for students to review. However, Centralia Beauty College does follow-up on graduates to help us prepare new students for future job placement.

Centralia Beauty College must also prepare the completion and graduation rate of its certificate seeking, first time, full-time undergraduate students each year. The annual rates are based on the 12-month period that ended August 31 of the prior year. The rates will track the outcomes for students for whom 150% of the normal time for completion or graduation has elapsed. Normal time is the amount of time necessary for a student to complete all
requirements for a degree or certificate according to the institution’s catalog. These rates are generated from the school student record management system.

NACCAS ’2016 Annual Report is derived from a single cohort of students – those scheduled to graduate in 2016. NACCAS ’graduation, placement and licensure definitions are described below:

**Graduation:** Based on all students scheduled to graduate from the program in 2015. The scheduled graduation date is a student’s most recent contract end date (i.e., the contract end date after all leaves of absence, schedule changes and re-enrollments have been accounted for). A student may count as a graduate if they have completed all applicable graduation requirements at the institution.

**Licensure:** Based on graduates from the graduation cohort who sat for all parts of their required licensure exam prior to November 30, 2017. A student in the licensure cohort may count as a “pass” if they pass all required portions of the examination prior to November 30, 2017.

**Placement:** Based on graduates from the graduation cohort who are eligible for placement. A student may count as placed if they are employed in a field for which their training prepared them prior to November 30, 2016. Students may be excluded from the calculation if they fall into one of the categories listed. In 2015, the school excluded the following number of students* based on each of the following categories:

- The graduate is deceased: 0
- The graduate is permanently disabled: 0
- The graduate is deployed for military service/duty: 0
- The graduate continued his/her education at an institution under the same ownership (e.g., a graduate of your cosmetology program subsequently enrolled in the instructor program of an institution under the same ownership): 0

**Total Excluded:** 0

*If fewer than ten students were excluded for any one category, the disclosure will only include the total of all excluded students if that total is at least ten. If the calculation excluded fewer than a total of ten students, the institution would state that it excluded students based on each condition and note that the number of total exclusions were fewer than 10 and therefore cannot be disclosed.
SERVICES TO STUDENTS WITH DISABILITIES
Centralia Beauty College will provide reasonable accommodations to any student with a disability. The student should discuss the disability with a Facilitator prior to enrollment. The student should explain in writing what accommodations are required, and the Facilitator and owner will develop and implement a plan to accommodate the student. All facilities at Centralia Beauty College are handicap accessible.

VACCINATION POLICY
Centralia Beauty College does not require vaccination records for admittance to school. Because we respect the rights and decisions of all parties concerning childhood vaccines, we do not require these records for admittance.

VOTER REGISTRATION
In compliance with the DOE, voter registration applications can be downloaded at: www.sos.wa.gov//elections/register.aspx.
You can also find a link to voter registration on our website at www.centraliabeautycollege.com

SAFETY REQUIREMENTS
Safety suggestions with this profession would include wearing shoes that would not be slippery when walking on a damp floor. All hair needs to be swept up following each haircut to minimize accidents. All water spilled should also be wiped up as quickly as possible. It is the responsibility of each student to promote a safe work environment. Gloves should be worn during chemical services to reduce any allergic reaction that an individual may have to certain chemicals. Any product that would accidentally get in the eyes should be flushed thoroughly with water. Seek medical attention if irritation continues.

PHYSICAL DEMANDS PLACED ON THE BODY
You may work long hours, especially those who own salons. Work schedules may include nights and weekends and may not include breaks or lunches. Good health and stamina are a must. Most salon industry professionals may be on their feet for long periods of time. There are physical demands placed upon the body during both class and as an employee in the industry, including but not limited to, standing for long periods of time, bending over, lengthy time allowances for services, lifting heavy objects, dexterity, exposure to heat and chemicals, possible cuts resulting from a haircutting service, and prolonged exposure to some chemicals may cause irritation so protective clothing, facemasks, and gloves should be worn.

 LICENSING REQUIREMENTS

CAMPUS SECURITY ACT INFORMATION DISCLOSURE

Centralia Beauty College is committed to providing safety to all its students, faculty, and staff. If a crime happens to the student or the student’s property or if there is an emergency occurring on campus, report the incident to a facilitator or owner immediately. That individual will assist the student or guest in reporting the crime to the local police or other appropriate security force.

Centralia Beauty College will provide students, faculty, and staff with a copy of this crime report from the previous calendar year by October 1st of the following year. **VIOLENCE AGAINST WOMEN ACT (VAWA)**
The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act) was amended by the Violence Against Women Reauthorization Act of 2013 (VAWA). To require Centralia Beauty College to report on the additional crime categories of Dating Violence, Domestic Violence and Stalking as part of our annual Clery Act crime statistics to the U.S. Department of Education and in this Annual Security Report. The VAWA amendments also require specific additional procedures for all victims of alleged VAWA crimes as well as primary prevention and awareness training for new students and faculty and ongoing prevention and awareness training for current students and faculty. This Annual Security Report has also been updated to reflect these recent changes in the law.

In 1994 Congress passed the Violence Against Women Act (VAWA) in recognition of the severity of crimes associated with domestic violence, sexual assault, and stalking. This Act emerged from the efforts of a broad, grassroots coalition of advocates and survivors who informed the work of Congress. In the two decades prior to VAWA, a movement had grown within the United States to respond appropriately to violent crimes against women. Rape crisis centers and women’s shelters were established in localities, and state and local laws had changed. However, the progress had been uneven around the country. VAWA was borne out of the need for a national solution. This Act enhances the investigation and prosecution of violent crimes against women.

Partner or Family Member Assault

In Washington, a person commits the crime of partner or family member assault (also called domestic violence) by:

- causing bodily injury negligently causing bodily injury with a weapon or creating reasonable apprehension of
- bodily injury against a partner or family member.

People act negligently when they fail to be aware of or consider the risk their behavior poses to others. Negligent behavior is always a gross departure from how a reasonable person would act. For example, firing a gun inside your house and hitting your boyfriend would be negligent and would be considered domestic violence. Other examples of domestic violence include hitting your child and threatening to hit your wife if the threat creates a reasonable fear of injury.

NOTES:

Reviser's note: *(1) Chapter 26.10 RCW, with the exception of RCW 26.10.115, was repealed by 2020 c 312 § 905, effective January 1, 2021.

(2) The definitions in this section have been alphabetized pursuant to RCW 1.08.015(2)(k).

Short title—2020 c 296: See note following RCW 9.94A.030.

Findings—Intent—2004 c 18: "The legislature reaffirms its determination to reduce the incident rate of domestic violence. The legislature finds it is appropriate to help reduce the incident rate of domestic violence by addressing the need for improved coordination and accountability among general authority Washington law enforcement agencies and general authority Washington peace officers when reports of domestic violence are made and the alleged perpetrator is a general authority Washington peace officer. The legislature finds that coordination and accountability will be improved if general authority Washington law enforcement agencies adopt policies that meet statewide minimum requirements for training, reporting, interagency cooperation, investigation, and collaboration with groups serving victims of domestic violence. The legislature intends to provide maximum flexibility to general authority Washington law enforcement agencies, consistent with the purposes of this act, in their efforts to improve coordination and accountability when incidents of domestic violence committed or allegedly committed by general authority Washington peace officers are reported." [ 2004 c 18 § 1.]

Severability—Effective dates—1997 c 338: See notes following RCW 5.60.060.

Severability—1995 c 246: See note following RCW 26.50.010.
Finding—1991 c 301: "The legislature finds that:
The collective costs to the community for domestic violence include the systematic destruction of
individuals and their families, lost lives, lost productivity, and increased health care, criminal justice, and social service
costs.

Children growing up in violent homes are deeply affected by the violence as it happens and could be the
next generation of batterers and victims.

Many communities have made headway in addressing the effects of domestic violence and have devoted
energy and resources to stopping this violence. However, the process for breaking the cycle of abuse is lengthy. No
single system intervention is enough.

An integrated system has not been adequately funded and structured to assure access to a wide range of
services, including those of the law/safety/justice system, human service system, and health care system. These services
need to be coordinated and multidisciplinary in approach and address the needs of victims, batterers, and children from
violent homes.

Given the lethal nature of domestic violence and its effect on all within its range, the community has a
vested interest in the methods used to stop and prevent future violence. Clear standards of quality are needed so that
perpetrator treatment programs receiving public funds or court-ordered referrals can be required to comply with these
standards.

While incidents of domestic violence are not caused by perpetrator's use of alcohol and illegal substances,
substance abuse may be a contributing factor to domestic violence and the injuries and deaths that result from it.

There is a need for consistent training of professionals who deal frequently with domestic violence or can
identify domestic violence and provide support and information.

Much has been learned about effective interventions in domestic violence situations; however, much is not
yet known, and further study is required to know how to best stop this violence." [1991 c 301 § 1.]

Severability—1986 c 257: See note following RCW 9A.56.010.
Effective date—1986 c 257 §§ 3-10: See note following RCW 9A.04.110.
Effective date—1984 c 263: See RCW 26.50.901.

This policy also addresses sexual harassment, which is defined as unwelcome sexual advances, requests for sexual favors, and other verbal, nonverbal, or physical conduct of a sexual nature. Sexual harassment is conduct that explicitly or implicitly affects a person’s employment or education or interferes with a person’s work or educational performance or creates an environment such that a reasonable person would find the conduct intimidating, hostile, or offensive. Sexual harassment includes sexual violence (see definition below). Centralia Beauty College will respond to reports of any such conduct in accordance with this policy.

Sexual harassment may include incidents between any members of the Centralia Beauty College community, including faculty or other staff, student employees, students, coaches, interns, and non-student or non-employee participants in programs (e.g., vendors, contractors, visitors). Sexual harassment may occur in hierarchical relationships, between peers, or between individuals of the same sex or opposite sex. To determine whether the reported conduct constitutes sexual harassment, consideration shall be given to the record of the conduct as a whole and to the totality of the circumstances, including the context in which the conduct occurred. Harassment of one student by another student is defined as unwelcome conduct of a sexual nature that is so severe and/or pervasive, and objectively offensive, and that so substantially impairs a person’s access to Centralia Beauty College programs or activities that the person is effectively denied equal access to Centralia Beauty College’s resources and opportunities.

Centralia Beauty College is committed to creating and maintaining a community where all individuals who participate in its programs and activities can work and learn together in an atmosphere free of harassment,
exploitation, or intimidation. Every member of the community should be aware that Centralia Beauty College prohibits sexual harassment and sexual violence, and that such behavior violates both law and Centralia Beauty College policy. Centralia Beauty College will respond promptly and effectively to reports of sexual harassment and sexual violence, and will take appropriate action to prevent, to correct, and when necessary, to discipline behavior that violates this policy. This policy applies to all employees and students. This policy furthers Centralia Beauty College’s commitment to compliance with the law.

D. Gender Identity, Gender Expression, or Sexual Orientation Discrimination
Harassment that is not sexual in nature but is based on gender, gender identity, gender expression, sex- or gender-stereotyping, or sexual orientation also is prohibited by the Centralia Beauty College’s nondiscrimination policy if it denies or limits a person’s ability to participate in or benefit from the school’s educational programs, employment, or services. While discrimination based on these factors may be distinguished from sexual harassment, these types of discrimination may contribute to the creation of a hostile work or academic environment. Thus, in determining whether an hostile environment due to sexual harassment exists, Centralia Beauty College may consider acts of discrimination based on gender, gender identity, gender expression, sex- or gender- stereotyping, or sexual orientation.

E. Retaliation
This policy prohibits retaliation against a person who reports sexual harassment or sexual violence, assists someone with a report of sexual harassment or sexual violence, or participates in any manner in an investigation or resolution of a sexual harassment or sexual violence report. Centralia Beauty College has designated the Title IX Coordinator as the person to whom members of the Centralia Beauty College community can consult for advice and information regarding making a report of sexual harassment or sexual violence. Requests regarding the confidentiality of reports of sexual harassment or sexual violence will be considered in determining an appropriate Centralia Beauty College response; however, such requests will be considered in the dual contexts of Centralia Beauty College’s obligation to ensure a working and learning environment free from sexual harassment and sexual violence and the rights of the accused to be informed of the allegations and their source. Also, an individual may file a complaint or grievance alleging sexual harassment or sexual violence under Centralia Beauty College’s grievance procedure.

Coordinator, or to any manager, supervisor, or other designated employee responsible for responding to reports
of sexual harassment or sexual violence. If the person to whom harassment normally would be reported is the

employee. Managers, supervisors, and designated employees are required to notify the Title IX Coordinator or
other appropriate official designated to review and investigate sexual harassment complaints when a report is
received.
Reports of sexual harassment or sexual violence should be brought forward as soon as possible after the alleged
conduct occurs. While there is no stated timeframe for reporting, prompt reporting will better enable Centralia
Beauty College to respond to the report, determine the issues, and provide an appropriate remedy and/or

report may impede Centralia Beauty College’s ability to investigate and/or to take appropriate remedial actions.

when the school receives a report that the student or employee has been a victim of domestic violence, dating
violence, sexual assault, or stalking, whether the offense occurred on- or off-campus or in connection with any
Centralia Beauty College program. The written information shall include:

(a) To whom the alleged offense should be reported.
(b) options for reporting to law enforcement and campus authorities, including the option to notify local or on
campus law enforcement authorities; the right to be assisted by campus authorities in notifying law
enforcement authorities if the complainant so chooses and the right to decline to notify such authorities.
(c) the rights of complainants regarding orders of protection, no contact orders, restraining orders, or similar
lawful orders issued by criminal or civil courts and Centralia Beauty College’s responsibilities regarding such
orders; (d the importance of preserving evidence as may be necessary to prove criminal domestic violence,
dating violence, sexual assault, or stalking, or to obtain a protection order.
(e) existing campus and community services available for victims including counseling, health, mental health,
victim advocacy, legal assistance, and other services.
(f) options for, and available assistance to, change academic, living, transportation, and working situations, if
requested by the complainant and if reasonably available, regardless of whether the victim chooses to report
the crime to campus police or local law enforcement.
(g) Any applicable procedures for institutional disciplinary action.

2. Options for Resolution
Individuals reporting sexual harassment or sexual violence shall be informed about options for resolving potential violations of the policy. These options shall include procedures for Early Resolution, procedures for Formal Investigation, and filing complaints or grievances under applicable Centralia Beauty College complaint resolution or grievance procedures. Individuals making reports also shall be informed about policies applying to confidentiality of reports under this policy. The school shall respond to the greatest extent possible to reports of sexual harassment and sexual violence brought anonymously or brought by third parties not directly involved in the asserted offenses. However, the response to such reports may be limited if information contained in the report cannot be verified by independent facts.

Individuals reporting sexual harassment and sexual violence shall be informed about the range of possible outcomes of the report, including interim protections, remedies for the individual harmed by the incident, and disciplinary actions that might be taken against the accused as a result of the report, including information about the procedures leading to such outcomes.

An individual who is subjected to retaliation (e.g., threats, intimidation, reprisals, or adverse employment or educational actions) for having made a report of sexual harassment or sexual violence in good faith, who assisted someone with a report of sexual harassment or sexual violence, or who participated in any manner in an investigation or resolution of a report of sexual harassment or sexual violence, may make a report of retaliation under these procedures. The report of retaliation shall be subject to the procedures herein.

3. Procedures for Early Resolution
The goal of Early Resolution is to resolve concerns at the earliest stage possible with the cooperation of all parties involved. Centralia Beauty College utilizes Early Resolution options when the parties desire to resolve the situation cooperatively and/or when a Formal Investigation is not likely to lead to a satisfactory outcome. Participation in the Early Resolution process is voluntary. Early Resolution may include an inquiry into the facts, but typically does not include a formal investigation. Means for Early Resolution shall be flexible and encompass a full range of possible appropriate outcomes. Early Resolution includes options such as mediating an agreement between the parties, separating the parties, referring the parties to counseling programs, negotiating an agreement for disciplinary action, conducting targeted preventive educational and training programs, or providing remedies for the individual harmed by the offense. Early Resolution also includes options such as discussions with the parties, making recommendations for resolution, and conducting a follow-up review after a period to assure that the resolution has been implemented effectively. Early Resolution may be appropriate for responding to anonymous reports and/or third-party reports. Steps taken to encourage Early Resolution and agreements reached through Early Resolution efforts should be documented.

While Centralia Beauty College encourages Early Resolution of a complaint, Centralia Beauty College does not require that parties participate in Early Resolution prior to Centralia Beauty College’s decision to initiate a Formal Investigation. Some reports of sexual harassment or sexual violence may not be appropriate for mediation but may require a Formal Investigation at the discretion of the Title IX Coordinator or other appropriate official designated to review and investigate sexual harassment complaints. Centralia Beauty College will not compel a complainant to engage in mediation. Mediation, even if voluntary, may not be used in cases involving sexual violence.

4. Procedures for Formal Investigation
In cases where Early Resolution is inappropriate or in cases where Early Resolution is unsuccessful, Centralia Beauty College may conduct a Formal Investigation. In such cases, the individual making the report may be encouraged to file a written request for Formal Investigation. The wishes of the individual making the request shall be considered, but are not determinative, in the decision to initiate a Formal Investigation of a report of sexual harassment or sexual violence. In cases where there is no written request, the Title IX Officer (Sexual Harassment Officer) or other appropriate official designated to review and investigate sexual harassment complaints, potentially in consultation with the administration, may initiate a Formal Investigation after making a preliminary inquiry into the facts.
In cases where a complainant states he or she does not want to pursue a Formal Investigation, the Title IX Coordinator should inform the complainant that the ability to investigate may be limited. When determining whether to go forward with a Formal Investigation, the Title IX Coordinator may consider: 1) the seriousness of the allegation, 2) in the case of a student complainant, the age of the student, 3) whether there have been other complaints or reports against the accused, and 4) the rights of the accused individual to receive information about the complainant and the allegations if formal proceedings with sanctions may result from the investigation. Even if a complainant does not want to pursue an investigation, under some circumstances, the Title IX Coordinator may have an obligation to investigate a complaint, such as when there is a risk to the campus community if the accused remains on campus. The complainant should be made aware of this independent obligation to investigate the complaint.

(a) In order to provide a prompt, fair, and impartial investigation and resolution, any Formal Investigation of reports of sexual harassment and/or sexual violence shall incorporate the following standards:
   i. The individual(s) accused of conduct violating the policy shall be provided a copy of the written request for Formal Investigation or otherwise given a full and complete written statement of the allegations, and a copy of the policy; and
   ii. The individual(s) conducting the investigation shall be familiar with the policy, have training or experience in conducting investigations, and as relevant to the investigation, be familiar with policies and procedures specific to students, staff, faculty, and visitors. For cases involving allegations of sexual violence, the individual(s) conducting the investigation must receive annual training on issues related to sexual violence. Such training includes how to investigate that protects the safety of the complainants and promotes accountability.

(b) If the alleged conduct is also the subject of a criminal investigation, the campus may not wait for the conclusion of the criminal investigation to begin an investigation pursuant to this policy. However, a campus may need to coordinate its fact-finding efforts with the police investigation. Once notified that the police department has completed its gathering of evidence (not the ultimate outcome of the investigation or the filing of any criminal charges), the campus must promptly resume and complete its fact-finding for the sexual harassment or sexual violence investigation.

(c) The investigation generally shall include interviews with the parties if available, interviews with other witnesses as needed, and a review of relevant documents as appropriate. Disclosure of facts to parties and witnesses shall be limited to what is reasonably necessary to conduct a fair and thorough investigation. Participants in an investigation shall be advised that maintaining confidentiality is essential to protect the integrity of the investigation. (d) The investigator shall apply a preponderance of evidence standard to determine whether there has been a violation of this policy.

(e) Upon request, the complainant and the accused may each have a representative present when he or she is interviewed, and at any subsequent proceeding or related meeting. Other witnesses may have a representative present at the discretion of the investigator or as required by applicable Centralia Beauty College policy or collective bargaining agreement.

(f) At any time during the investigation, the investigator may recommend that interim protections or remedies for the parties or witnesses be provided by appropriate Centralia Beauty College officials. These protections or remedies may include separating the parties, placing limitations on contact between the parties, or making alternative working arrangements. Failure to comply with the terms of interim protections may be considered a separate violation of this policy.

(g) The investigation shall be completed as promptly as possible and in most cases within 60 working days of the date the request for formal investigation was filed. This deadline may be extended on approval by a designated Centralia Beauty College official.

(h) Generally, an investigation results in a written report that at a minimum includes a statement of the allegations and issues, the positions of the parties, a summary of the evidence, findings of fact, and a determination by the investigator whether this policy has been violated. The report also may contain a
recommendation for actions to resolve the complaint, including preventive educational programs, remedies for the complainant, and a referral to disciplinary procedures as appropriate. The report is submitted to a designated Centralia Beauty College official with authority to implement the actions necessary to resolve the complaint. The report may be used as evidence in other related procedures, such as subsequent complaints, grievances and/or disciplinary actions.

(i) The complainant shall be informed if there were findings made that the policy was or was not violated and of actions taken to resolve the complaint, if any, that are directly related to the complainant, such as an order that the accused not contact the complainant. In accordance with Centralia Beauty College policies protecting individuals' privacy, the complainant may generally be notified that the matter has been referred for disciplinary action but shall not be informed of the details of the recommended disciplinary action without the consent of the accused, consistent with this policy.

(j) The complainant and the accused may request a copy of the investigative report pursuant to Centralia Beauty College policy governing privacy and access to personal information. However, in accordance with Centralia Beauty College policy, the report shall be redacted to protect the privacy of personal and confidential information regarding all individuals other than the individual requesting the report.

(k) At the conclusion of any disciplinary proceeding arising from an allegation of domestic violence, dating violence, sexual assault or stalking, the complainant and the accused will be simultaneously informed in writing of:

i. The outcome of any SCHOOL disciplinary proceeding; ii. The SCHOOL’s procedures for appealing the results of the proceeding; iii. Any change to the results that occur prior to the time that such results become final; and iv. When results become final.

C. Complaints or Grievances Involving Allegations of Sexual Harassment or Sexual Violence

An individual who believes he or she has been subjected to sexual harassment or sexual violence may file a complaint or grievance pursuant to the applicable complaint resolution or grievance procedure listed in Appendix I: Centralia Beauty College Complaint Resolution and Grievance Procedures. Such complaint or grievance may be filed either instead of or in addition to making a report of sexual harassment to the Title IX Coordinator or other appropriate official designated to review and investigate sexual harassment and sexual violence complaints under this policy. A complaint or grievance alleging sexual harassment or sexual violence must meet all the requirements under the applicable complaint resolution or grievance procedure, including time limits for filing.

If a complaint or grievance alleging sexual harassment or sexual violence is filed in addition to a report made to the Title IX Coordinator or other appropriate official designated to review and investigate sexual harassment complaints under this policy, the complaint or grievance shall be held in abeyance subject to the requirements of any applicable complaint resolution or grievance procedure, pending the outcome of the Early Resolution or Formal Investigation procedures. If the individual wishes to proceed with the complaint or grievance, the Early Resolution or Formal Investigation shall constitute the first step or steps of the applicable complaint resolution or grievance procedure.

An individual who has made a report of sexual harassment or sexual violence also may file a complaint or grievance alleging that the actions taken in response to the report of sexual harassment or sexual violence did not follow policy. Such a complaint or grievance may not be filed to address a disciplinary sanction imposed upon the accused. Any complaint or grievance regarding the resolution of a report of sexual harassment or sexual violence must be filed in a timely manner. The period for filing begins on the date the individual was notified of the outcome of the sexual harassment or sexual violence investigation or other resolution process pursuant to this policy, and/or of the actions taken by the administration in response to the report of sexual harassment or sexual violence, whichever is later.
D. Remedies and Referral to Disciplinary Procedures
Findings of policy violations may be considered to determine remedies for individuals harmed by the sexual harassment or sexual violence and shall be referred to applicable disciplinary procedures. Procedures under this policy shall be coordinated with applicable local complaint resolution, grievance, and disciplinary procedures to avoid duplication in the fact-finding process whenever possible. Violations of the policy may include engaging in sexual harassment or sexual violence, retaliating against a complainant reporting sexual harassment or sexual violence, or violating interim protections. Investigative reports made pursuant to this policy may be used as evidence in subsequent complaint resolution, grievance, and disciplinary proceedings as permitted by the applicable procedures.

E. Privacy
Centralia Beauty College shall protect the privacy of individuals involved in a report of sexual harassment or sexual violence to the extent permitted by law and Centralia Beauty College policy. A report of sexual harassment or sexual violence may result in the gathering of extremely sensitive information about individuals in the Centralia Beauty College community. While such information is considered confidential, Centralia Beauty College policy regarding access to public records and disclosure of personal information may require disclosure of certain information concerning a report of sexual harassment or sexual violence. In such cases, every effort shall be made to redact the records to protect the privacy of individuals. An individual who has made a report of sexual harassment or sexual violence may be advised of sanctions imposed against the accused when the individual needs to be aware of the sanction for it to be fully effective (such as restrictions on communication or contact with the individual who made the report). In addition, when the offense involves a crime of violence or a non-forcible sex offense, the Family Educational Rights and Privacy Act permits disclosure to the complainant the results of a disciplinary proceeding against the alleged accused, regardless of whether Centralia Beauty College concluded that a violation was committed. Information regarding disciplinary action taken against the accused shall not be disclosed without the accused consent, unless permitted by law as noted above, or unless it is necessary to ensure compliance with the action or the safety of individuals.

F. Confidentiality of Reports of Sexual Harassment and Sexual Violence
Centralia Beauty College does not employ professional or pastoral counselors. Centralia Beauty College notifies the Centralia Beauty College community that the Title IX Coordinator, managers, supervisors, and other designated employees have an obligation to respond to reports of sexual harassment or sexual violence, even if the individual making the report requests that no action be taken. An individual’s requests regarding the confidentiality of reports of sexual harassment or sexual violence will be considered in determining an appropriate response; however, such requests will be considered in the dual contexts of Centralia Beauty College’s legal obligation to ensure a working and learning environment free from sexual harassment and sexual violence and the due process rights of the accused to be informed of the allegations and their source. Some level of disclosure may be necessary to ensure a complete and fair investigation, although Centralia Beauty College will comply with requests for confidentiality to the extent possible.

G. Retention of Records Regarding Reports of Sexual Harassment and Sexual Violence
The office of the Title IX Coordinator is responsible for maintaining records relating to sexual harassment and sexual violence reports, investigations, and resolutions. Records shall be maintained in accordance with Centralia Beauty College’s records policies. All records pertaining to pending litigation or a request for records shall be maintained in accordance with instructions from legal counsel.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)

The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99) is a federal law that protects the privacy of student education records. The law applies to all schools/academies that receive funds under an applicable course of the U.S. Department of Education.
FERPA gives parents certain rights with respect to their children's education records. These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level. Students to whom the rights have transferred are "eligible students."

Parents or eligible students have the right to inspect and review the student's education records maintained by Centralia Beauty College. Academies are not required to provide copies of records unless, for reasons such as great distance, it is impossible for parents or eligible students to review the records. Academies may charge a fee for copies.

Parents or eligible students have the right to request that Centralia Beauty College correct records which they believe to be inaccurate or misleading. If Centralia Beauty College decides not to amend the record, the parent or eligible student then has the right to a formal hearing. After the hearing, if Centralia Beauty College still decides not to amend the record, the parent or eligible student has the right to place a statement with the record setting forth his or her view about the contested information.

Generally, academies must have written permission from the parent or eligible student in order to release any information from a student's education record. However, FERPA allows academies to disclose those records, without consent, to the following parties or under the following conditions (34 CFR § 99.31):

- Centralia Beauty College officials with legitimate educational interest.
- Other schools to which a student is transferring;
- Specified officials for audit or evaluation purposes;
- Appropriate parties in connection with financial aid to a student;
- Organizations conducting certain studies for or on behalf of Centralia Beauty College;
- Accrediting organizations;
- To comply with a judicial order or lawfully issued subpoena;
- Appropriate officials in cases of health and safety emergencies; and
- State and local authorities, within a juvenile justice system, pursuant to specific State law.

Centralia Beauty College may disclose, without consent, "directory" information such as a student's name, address, telephone number, date and place of birth, honors and awards, and dates of attendance. However, academies must tell parents and eligible students about directory information and allow parents and eligible students a reasonable amount of time to request that Centralia Beauty College not disclose directory information about them. Academies must notify parents and eligible students annually of their rights under FERPA. The actual means of notification (special letter, inclusion in a PTA bulletin, student handbook, or newspaper article) is left to the discretion of Centralia Beauty College.

HEALTH & SAFETY EXEMPTION REQUIREMENT
Centralia Beauty College adheres to all requirements pertaining to the protection of student information. However, there are limited exceptions to FERPA regulations under which Centralia Beauty College is permitted to disclose education records or personally identifiable, non-directory information from education records in connection with a health or safety emergency without student consent. The situation must present imminent danger to a student, other students, or members of the school community in order to qualify as an exception. This action is not taken lightly and only under circumstances that present imminent danger.

Centralia Beauty College is dedicated to serving the homeless and low-income. We have listed the shelters and low-cost housing services in the Centralia/Chehalis area. This list has homeless shelters, halfway houses, affordable housing, etc. The database consists of emergency shelters, homeless shelters, day shelters, transitional housing, shared housing, residential drug and alcohol rehabilitation programs and permanent affordable housing. To offer food, clothing, shelter, and spiritual guidance to homeless men, women, and children in need:

Types of Shelters and Service Information

Day Shelters supplement homeless and low-income people when the shelter their staying in only offers shelter on an overnight basis. Case management is often provided and sometimes there are laundry and shower facilities. Meals and basic hygiene may also be offered. Almost all-day shelters provide their services free of charge. Any emergency or homeless shelter that allows clients to stay during the day is also classified under this category. Emergency Homeless Shelters both provide short term relief for the homeless & low-income. Usually there is a maximum stay of 3 months or less. Many of these shelters ask their clients to leave during the day. Meals and other supportive services are often offered. 3 times out of 5 these shelters offer their services free of charge.
Halfway Housing helps transition individuals and families from shelters or homelessness to permanent housing. Length of stay is usually anywhere from 6 months to 2 years. Residents are often required to pay at least 30% of their income toward program fees. Sometimes the money they pay in fees is returned to them when they leave. Any emergency or homeless shelter that allows their clients to stay more than 6 months is also classified under this category.

Permanent Affordable Housing is a long-term solution for housing. Residents are often allowed to stay if they remain in the low-income bracket but is sometimes limited 3 - 5 years. Residents pay no more than 30% of their income towards rent. Emergency shelters, homeless shelters and transitional housing programs that allow their clients to stay without a maximum stay are also classified under this category.

Drug and Alcohol Rehab programs are intended to treat alcohol and/or drug dependency. The cost of participating in one of these programs and the method of treatment range significantly. The database operated on this website only includes residential rehab programs (not outpatient programs). We also provide Access to Recovery (ATR) Grant programs for substance abuse treatment.

Supportive Housing Programs that provide an alternative living arrangement for individuals who, because of age, disability, substance abuse, mental illness, chronic homelessness, or other circumstances, are unable to live independently without care, supervision and/or support to help them in the activities of daily living; or who need access to case management, housing support, vocational, employment and other services to transition to independent living.

Shared Housing Programs helps bring low-income persons together and helps prevent homelessness by providing affordable housing options. This service is good for families, disabled persons, and others wanted more companionship. Shelterlistings.org finds these shared housing locations and lists them throughout our website. Rooming House or Boarding House A rooming house is a building in which renters occupy single rooms and share kitchens, bathrooms, and common areas. The location may be a converted single-family home, a converted hotel, or a purpose-built structure. Rooming houses are low-cost housing and may have as few as three rooms for rent, or more than a hundred. The same goes for boarding houses. We list these types of residences throughout www.shelterlistings.org.

Transitional housing is affordable low-cost supportive housing designed to provide housing and appropriate support services to persons who are homeless or who are close to homelessness. The transition is to help them be more self-sufficient to move towards independent living on their own. Services provided at transitional housing facilities vary, from substance abuse treatment to psychological assistance, job training, domestic violence assistance, etc. The assistance provided varies, but it is generally affordable and low-cost housing. Read the descriptions of each of the transitional living locations for more detailed information.

SAFETY PROCEDURES
First Aid: A first aid kit is in the dispensary and the educators’ office.
Fainting: Do not move the person; call 911. Give facts as much as possible. Keep calm and notify other CDT Members for help, if necessary. Make the person comfortable.
Cut finger: Educator should immediately check the wound to see how deep the cut is. Small cuts should be washed, dried, and then covered with a bandage. Bandages and first aid kits are kept in the dispensary and the educators’ office.
Cuts requiring stitches: The student should be transported to the emergency room by the most expedient way possible.

Dangerous Situations, Alerting Faculty, Students, Guests and/or Neighbors
Are brought to the attention of Command Decision Team (CDT) and if confirmed, will alert and students by announcing, emailing, text and/or a written notification that will be posted in a conspicuous area, directing them to either a safe location and or the City County Health Department. Once the dangerous situation is diminished, an announcement, email, text and/or a written notification will be posted or sent to students when classes will resume.
Extreme Weather Conditions Procedures
Are issued from the Local Weather Service, Centralia Beauty College offices are closed, and classes are cancelled. Once the weather conditions are diminished, the CDT will alert the faculty and students when classes will resume.

Winter Storms and Extreme Cold Before
To prepare for a winter storm you should do the following:
- Before winter approaches, add the following supplies to your automobile:
  - Sand to improve traction.
  - Snow shovels and other snow removal equipment.
  - Sufficient heating fuel.
  - Adequate clothing and blankets to keep you warm.

During
Centralia Beauty College will notify the traveling student if a winter storm and extreme cold is expected. If the student is traveling long distances, the student will be advised to leave early or not to travel at all. If the winter storm and extreme cold happens while faculty, students and guests are in attendance, the following will apply:
- Stay indoors during the storm. Walk carefully on snowy, icy, walkways.
- Let someone know your destination, your route, and when you expect to arrive.

After
If Centralia Beauty College loses power or heat for more than a few hours or if you do not have adequate supplies to stay warm in Centralia Beauty College, you may want to go to a designated public shelter if you can get there safely. Text SHELTER + your ZIP code to 43362 (4FEMA) to find the nearest shelter in your area (e.g., SHELTER20472)
- Take precautions when traveling to the shelter. Dress warmly in layers, wear boots, mittens, and a hat.
- Continue to protect yourself from frostbite and hypothermia by wearing warm, loose-fitting, lightweight clothing in several layers. Stay indoors, if possible.

Thunderstorms & Lightning Procedures Before
To prepare for a thunderstorm, you should do the following:
- Secure outdoor objects that could blow away or cause damage.
- Get inside the school, or an automobile (not a convertible). Although you may be injured if lightning strikes your car, you are much safer inside a vehicle than outside.
- Rubber-soled shoes and rubber tires provide NO protection from lightning.
- Close window blinds, shades, or curtains.
- Unplug any electronic equipment well before the storm arrives.

During
If thunderstorm and lightning are occurring in your area, you should:
- Avoid contact with corded phones and devices including those plugged into electrical outlets for recharging.
- Cordless and wireless phones not connected to electrical outlets are OK to use.
- Avoid contact with electrical equipment or cords.
- Unplug appliances and other electrical items such as computers and turn off air conditioners. Power surges from lightning can cause serious damage.
- Avoid contact with plumbing.
- Do not wash your hands and do not do laundry. Plumbing and bathroom fixtures can conduct electricity.
- Stay away from windows and doors.
- Do not lie on concrete floors and do not lean against concrete walls.
Take shelter in a sturdy building.
Avoid isolated sheds or other small structures in open areas.
Avoid contact with anything metal—motorcycles and bicycles.
If lightning strikes you or someone you know, call 9-1-1 for medical assistance as soon as possible. The following are things you should check when you attempt to give aid to a victim of lightning: Breathing - if breathing has stopped, begin mouth-to-mouth resuscitation. Heartbeat - if the heart has stopped, administer CPR.
Pulse - if the victim has a pulse and is breathing, look for other possible injuries. Check for burns where the lightning entered and left the body. Also, be alert for nervous system damage, broken bones and loss of hearing and eyesight.

After
Never drive through a flooded roadway. Turn around, don’t drown!
Stay away from downed power lines and report them immediately.

Plan for a Pandemic
Get involved in your community as it works to prepare for an influenza pandemic.

Limit the Spread of Germs and Prevent Infection
Avoid close contact with people who are sick. When you are sick, keep your distance from others to protect them from getting sick too.
If possible, stay home.
Cover your mouth and nose with a tissue when coughing or sneezing.
Washing your hands often will help protect you from germs.
Avoid touching your eyes, nose, or mouth. Germs are often spread when a person touches something that is contaminated with germs and then touches his or her eyes, nose, or mouth. Utility Shut Off

Natural gas
Natural gas leaks and explosions are responsible for a significant number of fires following disasters. It is vital that all faculty know how to shut off natural gas.
Because there are different gas shut-off procedures for different gas meter configurations, it is important to contact your local gas company for any guidance on preparations and response regarding gas service to Centralia Beauty College.
If you smell gas or hear a blowing or hissing noise, get everyone out quickly. Turn off the gas if you can and call the gas company.
Caution: If you turn off the gas for any reason, a qualified professional must turn it back on. NEVER attempt to turn the gas back on yourself.

Water
Water quickly becomes a precious resource following many disasters. It is vital that all faculty members learn how to shut off the water.
Locate the shut-off valve for the water line that enters Centralia Beauty College and label this valve with a tag for easy identification.

Electricity
Electrical sparks have the potential of igniting natural gas if it is leaking. It is wise to teach all responsible faculty where and how to shut off the electricity.
Locate your electrical circuit box. For your safety, always shut off all the individual circuits before shutting off the main circuit.

Fire Procedure
If you smell smoke or see fire, report it immediately to a facilitator.
Proceed as follows:
Students exit in single file out the closest doors. If you have a guest at the time, the guest is your responsibility. After exiting Centralia Beauty College, proceed safely away from the school and locate in the parking lot behind the school.

Faculty will help guests in reception area out the front doors. Proceed to safety away from Centralia Beauty College.

Familiarize yourself with your evacuation route and the location of all emergency and regular exits.

The evacuation route illustration is found in the classroom, lunchroom, clinic floor, esthetics room and next to each exit door. Fire extinguishers are located in the classroom, lunchroom and on the clinic floor.

**VIOLATION OF FIRE SAFETY RULES PUTS LIVES IN JEOPARDY. TAMPERING WITH FIRE ALARMS OR FIRE EQUIPMENT CAN RESULT IN FINES AND POSSIBLE INCARCERATION ACCORDING TO STATE LAWS**

**FLOOD Before**

Even if you feel you live in a community with a low risk of flooding, remember that anywhere it rains, it can flood. Just because you haven't experienced a flood in the past, doesn't mean you won't in the future. Flood risk isn't just based on history; it's also based on several factors including rainfall, topography, flood-control measures, river-flow and tidal-surge data, and changes due to new construction and development.

To prepare for a flood, you should:

"Check valves" are installed in the sinks to prevent water from backing up into the drains.

**During**

If a flood is likely in your area, you should:

Be aware that flash flooding can occur. If there is any possibility of a flash flood, move immediately to higher ground. Do not wait for instructions to evacuate.

If you must prepare to evacuate, you should do the following:

Secure Centralia Beauty College

Turn off utilities at the main switches or valves if instructed to do so.

Disconnect electrical appliances. Do not touch electrical equipment if you are wet or standing in water.

If you must leave Centralia Beauty College, remember these evacuation tips:

Do not walk-through moving water. Six inches of moving water can make you fall. If you must walk in water, walk where the water is not moving. Use a stick to check the firmness of the ground in front of you. Do not drive into flooded areas. If floodwaters rise around your car, abandon the car, and move to higher ground, when water is not moving or not more than a few inches deep. You and the vehicle can be swept away quickly. If your vehicle is trapped in rapidly moving water, stay in the vehicle. If the water is rising inside the vehicle, seek refuge on the roof. Do not camp or park your vehicle along streams, rivers, or creeks, particularly during threatening conditions.

**After**

Although floodwaters may be down in some areas, many dangers still exist. Here are some things to remember in the days ahead:

Use local alerts and warning systems to get information and expert informed advice as soon as available.

Avoid moving water.

Stay away from damaged areas unless your assistance has been specifically requested by police, fire, or relief organization.

Emergency workers will be assisting people in flooded areas. You can help them by staying off the roads and out of the way.

Play it safe. Additional flooding or flash floods can occur. Listen for local warnings and information. If your car stalls in rapidly rising waters, get out immediately and climb to higher ground.

Return home only when authorities indicate it is safe.

Roads may still be closed because they have been damaged or are covered by water. Barricades have been placed for your protection. If you come upon a barricade or a flooded road, go another way.

If you must walk or drive in areas that have been flooded:
Stay on firm ground. Moving water only 6 inches deep can sweep you off your feet. Standing water may be electrically charged from underground or downed power lines.

Flooding may have caused familiar places to change. Floodwaters often erode roads and walkways. Flood debris may hide animals and broken bottles, and it's also slippery. Avoid walking or driving through it.

Be aware of areas where floodwaters have receded. Roads may have weakened and could collapse under the weight of a car.

Stay out of any building if it is surrounded by floodwaters.

Use extreme caution when entering buildings; there may be hidden damage, particularly in foundations.

**Earthquake Before**

Every attempt to secure shelves, heavy objects, mirrors, and electronic such as computers and printers.

**During**

Drop, cover, and hold on. Minimize your movements to a few steps to a nearby safe place and if you are indoors, stay there until the shaking has stopped and you are sure exiting is safe if indoors.

Drop to your hands and knees. Cover your head and neck with your arms. This position protects you from falling and provides some protection for vital organs. Because moving can put you in danger from the debris in your path, only move if you need to get away from the danger of falling objects. If you can move safely, crawl for additional cover under a sturdy desk or table. If there is low furniture, or an interior wall or corner nearby and the path is clear, these may also provide some additional cover. Stay away from glass, windows, outside doors and walls, and anything that could fall, such as lighting fixtures or furniture.

HOLD ON to any sturdy shelter until the shaking stops.

Do not get in a doorway as this does not provide protection from falling or flying objects and you likely will not be able to remain standing.

Stay away from glass, windows, outside doors and walls, and anything that could fall, such as lighting fixtures or furniture.

**After**

Do not light a match.

Do not move about or kick up dust.

Cover your mouth with a handkerchief or clothing.

Tap on a pipe or wall so rescuers can locate you.

Use a whistle if one is available. Shout only as a last resort. Shouting can cause you to inhale dangerous amounts of dust.

**When the Shaking Stops**

When the shaking stops, look around to make sure it is safe to move and there is a safe way out through the debris. Then exit Centralia Beauty College.

Expect aftershocks. These secondary shockwaves are usually less violent than the main quake but can be strong enough to do additional damage to weakened structures and can occur in the first hours, days, weeks, or even months after the quake. Drop, Cover, and Hold On whenever you feel shaking.

Check for injuries and aid if you have training. Assist with rescues if you can do this safely. Look for and extinguish small fires. Fire is the most common hazard after an earthquake. Never use a lighter or matches near damaged areas.

Use the telephone only for emergency calls.
Go to a designated public shelter if your home had been damaged and is no longer safe. Text SHELTER + your ZIP code to 43362 (4FEMA) to find the nearest shelter in your area (example: shelter 12345).

Stay away from damaged areas. Stay away unless your assistance has been specifically requested by police, fire, or relief organizations. Return home only when authorities say it is safe.

Be careful when driving after an earthquake and anticipate traffic light outages.

After it is determined that it’s safe to return, your safety should be your primary priority as you begin cleaning up and recovery.

Leave the area if you smell gas or fumes from other chemicals.

Inspect utilities. (Follow the Utility Shut Off)

**Bomb Threats**

Most bomb threats are received by phone. Bomb threats are serious until proven otherwise. Faculty and students are to act quickly but remain calm and obtain as much information as possible and write it down.

If a bomb threat is received by phone remain calm. Keep the caller on the line for as long as possible. DO NOT HANG UP, even if the caller does.

Listen carefully. Be polite and show interest.

Try to keep the caller talking to learn more information.

If possible, write a note to a faculty member or student to call the authorities or, as soon as the caller hangs up, immediately notify them yourself.

If your phone has a display, copy the number and/or letters on the window display.

Write down as much detail as you can remember. Try to get exact words.

Immediately upon termination of the call, do not hang up, but from a different phone, contact FPS (Federal Protective Services) immediately with information and await instructions.

There can be significant numbers of casualties and/or damage to buildings and the infrastructure. So, employers need up-to-date information about any medical needs you may have and on how to contact your designated beneficiaries.
Heavy law enforcement involvement at local, state, and federal levels follows a terrorist attack due to the event’s criminal nature.
Health and mental health resources in the affected communities can be strained to their limits, maybe even overwhelmed.
Extensive media coverage, strong public fear and international implications and consequences can continue for a prolonged period.
Centralia Beauty College may be closed.
Centralia Beauty College may have to evacuate, avoiding blocked roads for your safety. Clean-up may take many months.

TITLE IV FUNDING – GENERAL INFORMATION
Centralia Beauty College educates students and/or parents in all options of financial aid available to those who qualify. We understand that all students’/family’s needs are unique. We are committed to the student’s educational success, a part of which includes securing the proper funding. The information from the FAFSA, provided by the student and/or parent, in conjunction with state and federal regulations determines eligibility for available programs. Many parents borrow money to help cover educational costs and living expenses for their daughter/son. Centralia Beauty College encourages parents of eligible dependent students to apply for the Federal Parent Plus Loan.

TYPES OF FINANCIAL AID AVAILABLE Federal Pell Grant (Need Based Aid)
Pell Grants provide a foundation of financial assistance that may be supplemental by other resources and does not have to be repaid after graduation. Pell Grants are determined after the financial status of a student is fully reviewed. Based on a student’s financial circumstances, a specific amount of money is disbursed annually toward the student’s education through the Pell Grant. How much you can expect to receive from a Pell Grant is solely based on your financial situation and other criteria.

William D. Ford Direct Stafford Loans (Need & Non-Need Based Aid)
Loans made through this program are referred to as Direct Loans, because eligible students and parents borrow directly from the US Department of Education. You must be enrolled at least as a half-time student to be eligible for a loan. Direct Loans include the following: Direct Stafford Loans
Direct Subsidized Loans – you must have financial need to receive a subsidized loan. The US Department of Education will pay (subsidize) the interest that accrues on your Direct Subsidized Loan during certain periods. Direct Unsubsidized Loans – financial need is not a requirement to obtain an unsubsidized loan. You are responsible for paying the interest that accrues on your Direct Unsubsidized Loan.
Direct PLUS Loans (Plus Loans) are loans parents can obtain to help pay the cost of education for their dependent undergraduate children.

G.I. Bill
If you have spent time in the military, you are eligible to use your G.I. Bill toward your education, or the G.I. Bill can be transferred to your spouse or children. The G.I. Bill was specifically designed for college or vocational education certified by State Approving Agency for Veterans’ Educational Benefits. *These approvals are state and Centralia Beauty College specific and may not apply to all institutions. To apply go to www.gibill.va.gov. Bring your specific certificate of eligibility to the FAO Office to begin enrollment certification with VA.

STEPS TO APPLY FOR TITLE IV AID

1. The student must complete the FAFSA for each financial aid year in which the student is eligible to receive aid. The Department of Education (DOE) prefers students complete a web FAFSA at www.fafsa.ed.gov. To complete a web FAFSA, the student will need an electronic pin number. This can be obtained at www.pin.ed.gov. This pin is unique to each FAFSA applicant and cannot be shared with anyone else as it acts as the students’ signature required to submit a FAFSA. A parent of a dependent student must also apply for a pin. The parent is required to sign the web FAFSA with their uniquely created pin.

2. Once a pin number has successfully been created, a web FAFSA can now be completed. Be sure to follow all instructions when completing the FAFSA. Enter the Code, 042747, for Centralia Beauty College, Centralia, Washington & 98531-4016. This will allow disclosure of information from the FAFSA to Centralia Beauty College chosen by entering Centralia Beauty College code. In the case of a dependent student, both the student and one parent will need to complete and sign the FAFSA application in order to be eligible for a Pell Grant. Dependency status is determined by the information that is filled out on the students FAFSA.

3. If the parents of a dependent student refuse to provide information on the FAFSA; the student will not be eligible for Pell Grants and will only be eligible for unsubsidized loan funding.

4. Once the FAFSA is complete, the student will receive a SAR (Student Aid Report). Centralia Beauty College will be sent an ISIR (Institutional Student Information Record) for all students who list the Centralia Beauty College code. All verification and/or corrections must be completed prior to qualifying for aid.

5. If a student’s FAFSA is selected for verification, the student will receive Centralia Beauty College’s verification policy and a verification worksheet. The student is required to return the verification worksheet completed, as well as provide any other requested documents. If parent information is entered in the FAFSA, or the student is a dependent, parents may need to provide additional requested documents. If selected, this verification process must be completed before a student can receive federal aid. The verification process could result in a corrected ISIR and new Expected Family Contribution (EFC) number which could affect the student’s unmet need and eligible need-based aid, Stafford Subsidized Loans and Pell Grants.

6. The Primary EFC provided on the student’s ISIR will be used to calculate need and unmet need analysis through the Cost of Attendance Worksheet. This Primary EFC number corresponds with the number of months in each academic year. The Cost of Attendance Budget for each academic year includes the student’s tuition costs per academic year. These costs include tuition, applicable fees, kit and books (per the academic year in which the cost is incurred), room and board, personal expenses and transportation costs.

7. Centralia Beauty College utilizes the information presented on the student’s ISIR and the NSLDS (National Student Loan Data System) to determine the student’s eligibility and to calculate the student’s unmet need for the student’s grade level. This is done in compliance with the Cost of Attendance Budget grade level limits based on hours in the academic year.

8. Students who desire low interest Stafford Federal Student Loans must complete a Master Promissory Note or Electronic Master Promissory Note (E-MPN) at www.studentloans.gov

9. Parents desiring to take out a low interest Federal Parent Plus Loan on behalf of their dependent daughter or son must complete a Consent to Credit Check document that is made available by the Financial Aid Office. This form must be returned completed along with a readable copy of the parents Driver’s License or State ID.

10. Students must complete the Entrance Loan Counseling prior to the student receiving a disbursement of any Federal loans. For Direct Loans, students may access Entrance Loan Counseling at www.studentloans.gov

11. Students will need to accept or decline eligible aid by completing the Students Financial Aid Award Notice with the Financial Aid Officer.
12. Accepted aid will be listed on the student’s award letter.

13. Students are required to notify Centralia Beauty College’s Financial Aid Officer if they receive any additional financial assistance before or after an award letter has been issued. Scholarships or other types of financial aid could be reported throughout the year. If additional awarded aid causes the student to exceed the cost of attendance, it may be necessary to reduce the amount of previously awarded aid.

**SPECIAL CIRCUMSTANCES – DEPENDENCY OVERRIDE & PROFESSIONAL JUDGMENT**

Dependency Override – Students who do not meet the Federal definition of an independent, but have unusual circumstances, may appeal their dependency status to Centralia Beauty College’s Financial Aid Office. Dependency Status overrides are done on a case-by-case basis and a determination from the Financial Aid Officer at one institution is not binding at another institution. Successful appeals may result in an increase in the student’s eligibility for aid. The Application and Verification Guide (AVG) has identified four conditions that individually or in combination with one another, do not qualify as “unusual circumstances” or that do not merit a dependency override. These circumstances are as follows:

1. Parents refusing to contribute to the student’s education
2. Parents unwilling to provide information on the application or for verification
3. Parents are not claiming the students as a dependent for income tax purposes
4. Student demonstrates total self-sufficiency.

Students with special circumstances should contact Centralia Beauty College’s Financial Aid Office. Those students whose appeals are determined eligible will be required to submit three letters detailing the student’s situation. The first letter must be from the student detailing their situation and the other two letters must be from outside sources familiar with the student’s situation (i.e.: Clergy, family friend, counselor, etc.)

**Professional Judgment** – Circumstances beyond the student’s control (and/or family) that affect the student’s (and/or family) income during the current academic year could result in a reduced estimated family contribution (EFC). Students with special circumstances should always complete a FAFSA and then contact the Financial Aid Office. If a student wishes to appeal the EFC based on special circumstances and is determined eligible to do so, the student should complete a Professional Judgment form and may be requested to supply supporting documentation off said circumstances.

**VERIFICATION**

Students selected by CPS (Central Processing System) for the process of verification are frequently required to submit additional information and/or parent’s financial & household information to the Financial Aid Office. The verification procedures will be conducted as follows:

1. When selected by CPS for the process of verification, the student must submit all required documentation to the Financial Aid Office within 14 days from the date the student is notified that the additional documentation is needed for this process.
2. If the student does not provide all the required documentation within the 14-day time frame, the student will be required to make other payment arrangements until the documentation is received and the student’s eligibility for federal student aid has been established.
3. The Financial Aid Office reserves the right to make exceptions to the policy stated above on a case-by-case basis for extenuating circumstances.
4. The Financial Aid Office will notify the student of any changes to their financial aid award resulting from corrections made due to the verification process. An adjustment will be made to the student’s financial aid award as required by federal regulations and an addendum to the existing award letter or a new award letter will be issued.
DEFERMENT
Students who are enrolled at least half time can apply for deferment of previous student loans while in attendance at Centralia Beauty College. Please log on to www.nslds.ed.gov to find your current loan servicer and to find out more details on “in-school deferment”.

COST OF ATTENDANCE (COA)
Cost of Attendance falls into two categories, Cost of Attendance for “Dependent” students living at home and “All Others” (Dependent students living in an apartment, and independent students) It is based on the length of the course, tuition and fees, loan fees, as well as average national room and board, personal expenses, and transportation costs.

Below is the budget for each course.

HOW FUNDS WILL BE DISBURSED:
In order to receive their Pell Grant/Direct Loan Disbursements, students are required to have a Satisfactory Academic Progress (SAP) average of 70%. This figure is arrived at by averaging grades from the following areas: classroom work, projects, and styling area performance, as well as a 75% or higher attendance requirement. First disbursement is scheduled for the first day of classes for Pell and thirty days after class begins for direct loans.

At the time of disbursement, the student will sign a line receipt acknowledging the disbursement and the status of their account.

DISBURSEMENT OF CREDIT BALANCE REFUND SUMMARY
If the student has financial aid that exceeds his or her tuition and fee charges for the academic year in which the disbursement occurred, the student will have a credit balance. All credit balance refunds will be issued by check within 14 calendar days of the date of disbursement.

A CREDIT BALANCE REFUND WILL BE GIVEN TO THE PARENT IF:
The amount of the PLUS loan is greater than the student’s tuition and fees charges for the academic year in which the disbursement occurred. All credit balance refunds will be issued by check within 14 calendar days of the date of disbursement.

EFFECTS OF STUDENT LOANS
• If the student receives other forms of financial assistance such as scholarships it may reduce the student’s or the student’s parent eligibility for Federal Aid.
• Loans must be repaid, even if the student does not finish their education. Loan repayment begins 6 months from the date of graduation or withdrawal.
• If a student does not return from a maximum of 180 day Leave of Absence, the student’s loans immediately enter repayment.
• Failure to repay a student loan will leave a negative mark on the borrower’s credit.
• Over borrowing of student loans may cause a borrower to pay more than their earning potential can handle, especially during the early years of repayment.

LOAN DISCLOSURES
Federal Student Aid disclosures are available in the Financial Aid Office.
NSLDS (National Student Loan Data System) – student loans will be submitted to the NSLDS and will be accessible by guaranty agencies, lenders and Centralia Beauty College determined to be authorized users of the data system.

**STUDENT (BORROWER’S) RIGHTS**
You have a right to know the details of your loan (depending on your loan, some of the following might be included as part of your entrance counseling). Below is what you need to know and must receive from Centralia Beauty College, lender, or the Direct Loan Servicing Center:

- The full amount of the loan and the current interest rate.
- The date you must start repayment.
- A complete list of any charges you must pay (loan fees) and information on how those charges are collected.
- Information about the yearly and total amounts you can borrow.
- Information about the maximum repayment periods and the minimum repayment amount.
- An explanation of default and its consequences.
- An explanation of available options for consolidating your loans and a statement that you can prepay your student loan(s) at any time without a penalty.
Before you leave Centralia Beauty College, you will receive the following information about your loan (as part of exit counseling) from Centralia Beauty College, lender, or the Direct Loan Servicing Center:

- A current description of your loans, including average anticipated monthly payments.
- The amount of your total debt (principal and estimated interest), your current interest rate and the total interest charges on your loan.
- If you have FFEL Loans, the name of the lender or agency that holds your loans, where to send your payments and where to write or call if you have questions.
- If you have Direct Loans, the address and telephone number of the U.S. Department of Education’s Direct Loan Servicing Center.
- An explanation of the fees you might be charged during the repayment period, such as late charges and collection or litigation costs if you’re delinquent or in default.
- A reminder of available options for loan consolidation and a reminder that you can prepay your loan without penalty at any time.
- A description of applicable deferment, forbearance, and discharge (cancellation) provisions.
- Repayment options and advice about debt management that will help you in making your payments.
- Notification that you must provide your expected permanent address and the name and address of your expected employer; and
- Notification that you must also provide any corrections to your school’s records concerning your name, Social Security number, references, and driver’s license number (if you have one).

If you are attending Centralia Beauty College at least half-time, you have a set period after you graduate, leave Centralia Beauty College, or drop below half-time status before you must begin repayment on a Stafford or Perkins Loan. This period is called a grace period. You will receive a grace period before your repayment period begins on a Stafford or Perkins Loan. Your grace period will be six or nine months depending on the type of loan. PLUS Loans do not have a grace period. For more information, see "When do parents, graduate and professional degree students begin repaying a PLUS Loan?" If you are in active military duty for more than 30 days, the grace period will be delayed.

Your Centralia Beauty College, lender, or the Direct Loan Servicing Center, as appropriate, must give you a loan repayment schedule that states:

- When your first payment is due.
- The number and frequency of payments
- The amount of each payment.

If you or your parents borrow under the FFEL Program, you (or your parents, or graduate and professional degree students for PLUS Loans) must be notified when the loan is sold if the sale results in making payments to a new lender or agency. Both the old and new lender must provide this notification. You must be given:

- The identity of the new lender or agency holding the loan.
- The address where you or your parents must send payments.
- The telephone numbers of both the old and new lender or agency.

STUDENT (BORROWER) RESPONSIBILITIES

1. **Borrower** – it is the responsibility of the student to:

   Think about how much you are borrowing: how the amount of loan will affect your future finances, and what your repayment obligation means before you take out a student loan.

   Students will need to accept or decline eligible aid. Accepted aid will be listed on the student’s award letter.

   Sign a promissory note: you are agreeing to repay the loan according to the terms of the note even if you do not complete your education, can’t get a job after you complete the program, or you did not like the education that you received. You can do this online at [www.studentloans.gov](http://www.studentloans.gov). This promissory note can be signed electronically or hard copy before any loan funds can be disbursed.
Make payments on time: you are required to make payments on time even if you don’t receive a bill, repayment notice, or a reminder. You also must make monthly payments in the full amount required by your repayment plan.
Partial payments do not fulfill your obligation to repay your student loan on time.
Continue to pay your loans while waiting for deferment or forbearance approval.
Keep in touch with your loan servicer: notify your servicer when you graduate; withdraw from Centralia Beauty College, drop below half-time status, change your name, address, or social security number; or transfer to another school.

2. **Entrance Counseling:** First-time borrowers must complete an entrance counseling session before your first loan disbursement. This session includes useful tips and tools to help you develop a budget for managing your education expenses and help you to understand your loan responsibilities. Each student will complete the Department of Education’s entrance counseling online at www.studentloans.gov.

- Review deferment
- Importance of keeping financial aid papers
- Reinforce the importance of repayment
- Importance that loan repayment is required even if the student does not finish their education
- Default and its consequences
- How to use the MPN or E-MPN
- Explain interest and capitalization
- Provide sample monthly repayment amounts and the importance of not over borrowing
- NSLDS and how to access the system
- Contact information for questions
- Notification of change of name or address
- Withdrawal from the program and how the withdrawal will affect the student

3. **Exit Counseling:** Students must complete exit counseling before you leave Centralia Beauty College to make sure you understand your rights and responsibilities as a borrower. The exit counseling interview will be scheduled no sooner than 1 week after the student completes the course hours. Each student will complete the Department of Education’s exit counseling online at www.nslds.ed.gov and www.studentloans.gov, as well as discuss the following during your personal appointment with the FAO:

- Review information concerning loans from entrance interview
- Review repayment options including seriousness and importance
- Review average debt of student borrowers and anticipated monthly repayment amount
- Provide information on loan consolidation (pros and cons)
- Discuss how to contact the party servicing the student borrower’s direct loans
- Discuss debt management strategies
- Provide information on forbearance, deferment, and cancellation options.
- Describe the likely consequences of default
- How to access the NSLDS website and availability of FSA Ombudsman’s Office
- Help the borrower understand their rights and responsibilities concerning loan repayment
- Collect updated personal contact information for the borrower

4. **Repayment of Loans:** There is a set time after a student graduates, leaves Centralia Beauty College or drops below half-time status before the student must begin repayment of loan(s). This period is called a grace period and gives the student the time to get financially settled and select a repayment plan. The grace period for a Direct Stafford loan is six months. PLUS Loans do not have a grace period. Depending on the type of loan a student receives, and the repayment plan chosen, the student may have from 10-25 years to repay the loans. Monthly repayment amount will depend on the type of loan, size of debt, length of repayment period and repayment plan chosen. For more information, go online to www.studentaid.ed.gov/repaying.

### INTERNAL GRIEVANCE PROCEDURE POLICY

Nothing in this policy prevents the student from contacting the Department of Licensing at any time with a concern or complaint. In accordance with Centralia Beauty College’s mission statement, the school will make every attempt to resolve any student complaint that is not frivolous or without merit. Complaint procedures will be included in new student orientation thereby assuring that all students know the steps to follow should they desire to register a complaint at any time. Centralia Beauty College will receive and process complaints that state facts that reasonably suggest that Centralia Beauty College may not be in compliance with the Federal, State, or NACCAS standards and criteria. Evidence of final resolution of all complaints will be retained in Centralia Beauty College’s files to determine the frequency, nature, and patterns of complaints for the institution. The following procedure outlines the specific steps of the complaint process.

1. The student should register the complaint in writing on the designated form provided by the institution within 60 days of the date that the act which is the subject of the grievance occurred.
2. The complaint form will be given to the school owner.

3. The complaint will be reviewed by management and a response will be sent in writing to the student within 30 days of receiving the complaint. The initial response may not provide for final resolution of the problem but will notify the student of continued investigation and/or actions being taken regarding the complaint.

4. If the complaint is of such nature that it cannot be resolved by the management, it will be referred to an appropriate agency if applicable.

5. Depending on the extent and nature of the complaint, interviews with appropriate staff and other students may be necessary to reach a final resolution of the complaint.

6. In cases of extreme conflict, it may be necessary to conduct an informal hearing regarding the complaint. If necessary, management will appoint a hearing committee consisting of one member selected by the school who has not been involved in the dispute and who may also be a corporate officer, another member who may not be related to the student filing the complaint or another student in the school, and another member who may not be employed by the school or related to the school owners. The hearing will occur within 90 days of committee appointment. The hearing will be informal with the student presenting his/her case followed by the school’s response. The hearing committee will be allowed to ask questions of all involved parties. Within 15 days of the hearing, the committee will prepare a report summarizing each witness’ testimony and a recommended resolution for the dispute. School management shall consider the report and either accept, reject, or modify the recommendations of the committee. Corporate management shall consider the report and either accept, reject, or modify the recommendations of the committee.

7. Students must exhaust the institution’s internal complaint process before submitting the complaint to the school’s accrediting agency, if applicable.

8. Students who desire low interest Stafford Federal Student Loans must complete a Master Promissory Note or Electronic Master Promissory Note (E-MPN) at www.studentloans.gov

RETURN OF TITLE IV FUNDS

The law specifies how your Centralia Beauty College must determine the amount of Title IV program assistance that you earn if you withdraw from Centralia Beauty College. The Title IV programs that are covered by this law are: Federal Pell Grants, Academic Competitiveness Grants, National SMART Grants, TEACH Grants, Stafford Loans, PLUS Loans, Federal Supplemental Educational Opportunity Grants (FSEOGs), and Federal Perkins Loans. When you withdraw during your payment period the amount of Title IV program assistance that you have earned up to that point is determined by a specific formula. If you received (or your Centralia Beauty College or parent received on your behalf) less assistance than the amount that you earned, you may be able to receive those additional funds. If you received more assistance than you earned, the excess funds must be returned by Centralia Beauty College and/or you.

The amount of assistance that you have earned is determined on a pro-rata basis. For example, if you completed 30% of the scheduled hours in your payment period, you earn 30% of the assistance you were originally scheduled to receive. Once you have completed more than 60% of the scheduled hours in your payment period, you earn all the assistance that you were scheduled to receive for that period. If you did not receive all the funds that you earned, you may be due a Post-withdrawal disbursement. If your Post-withdrawal disbursement includes loan funds, your school must get your permission before it can disburse them. You may choose to decline some or all the loan funds so that you don’t incur additional debt. Centralia Beauty College may automatically use all or a portion of your Post-withdrawal disbursement of grant funds for tuition, and fees (as contracted with Centralia Beauty College). Centralia Beauty College needs your permission to use the Post-withdrawal grant disbursement for all other school charges. If you do not give your permission (some schools ask for this when you enroll), you will be offered the funds. However, it may be in your best interest to allow Centralia Beauty College to keep the funds to reduce your debt at Centralia Beauty College.

Any amount of unearned grant funds that you must return is called an overpayment. The maximum amount of a grant overpayment that you must repay is half of the grant funds you received or were scheduled to receive. You must make arrangements with your school or the Department of Education to return the unearned grant funds.
The requirements for Title IV program funds when you withdraw are separate from any Institutional Refund Policy that your school may have. Therefore, you may still owe funds to Centralia Beauty College to cover unpaid institutional charges. Your school may also charge you for any Title IV program funds that Centralia Beauty College was required to return.

**PAYMENT OF A REFUND OR RETURN OF TITLE IV, HEA PROGRAM FUNDS TO THE SECRETARY**

By applying for a Direct Loan, a borrower authorizes Centralia Beauty College to pay directly to the Secretary that portion of a refund or return to title IV, HEA program funds from the school that is allocable to the loan.

- Must provide simultaneous written notice to the borrower if the school pays a refund or return of title IV, HEA program funds to the Secretary on behalf of that student.

- Determination, allocation, and payment of a refund or return of title IV HEA program funds. In determining the portion of a student’s refund or return of title IV, HEA program funds that is allocable to a Direct Loan, the school must follow the procedures established in 34 CFR 668.22 for allocating and paying a refund or return of title IV, HEA program funds that is due.

**RETURN OF TITLE IV FUNDS BY SCHOOL**

Centralia Beauty College must return the unearned aid for which Centralia Beauty College is responsible by repaying funds to the following sources, in order, up to the total net amount disbursed from each source.

**SATISFACTORY ACADEMIC PROGRESS POLICY (SAP)**

Policy: To establish criteria and procedure for the implementation of objective standards by which students are evaluated to determine if they are making satisfactory progress within the categories of attendance and academics while enrolled in school; A structure and resulting actions to inform students falling below standards; A process by which a student measured to be below standards can appeal the school’s decision. Satisfactory progress is necessary for a student to continue enrollment, and in applicable cases, for a student to maintain eligibility for Financial Aid. This policy is applicable to all students enrolled in our NACCAS approved programs, full or part time, regardless of their means of payment and is provided to all applicants prior to enrollment.

**PROCEDURE AND DEFINITIONS**

Students are evaluated for Satisfactory Academic Progress as follows:

- Cosmetology  450, 900 and 1270 (actual) hours
- Manicuring  300 (actual) hours
- Instructor Cadet  250 (actual) hours

The first evaluation must occur no later than the mid-point of: the academic year or the course and/or program, whichever occurs sooner. The transfer student’s SAP evaluation points are the established evaluation points OR the midpoint of the contracted hours, whichever comes first. Students are given a copy of each report and copies of all reports are stored in the students ‘permanent files.
Satisfactory Progress is defined as a student meeting the minimum requirements for attendance and academics until their next evaluation period.

1. **Academic progress** is as follows:
   a. A minimum cumulative Theory grade average of 70% on all written tests administered. Theory is graded through tests and quizzes on each chapter of the text and workbooks provided to each student. Our school uses the Milady standard text series for each of our programs.
   b. A minimum cumulative practical/clinic grade average of 70%. Practical and clinical work is graded by a signature on the students’ practical worksheet, called “Weekly Requirements”. A signature from an instructor represents a passing grade which means all elements of the practical grading criteria were met. No signature indicates a failing score, which means one or more of the practical grading elements was not met and the student has not met minimum satisfactory standards on the practical application. Students are required to continue and/or repeat the practical application until they receive a signature from an instructor. Students are graded by service to hours completed with a yes/no and signed by an instructor. Services completed is divided by clinic floor hours attended to receive letter grade.

   **SCHOOL GRADING SYSTEM**

   A=...........93-100%  B=............80-92%  C=.............70-79%  Failing=............69% OR LESS

To determine whether a student meets the academic requirements for Satisfactory Progress, theory and practical grades are averaged together to give a cumulative academic grade of 70% or higher.

   c. A student that does not achieve the minimum standards as stated in this policy is no longer eligible for Title IV, HEA program funding, unless the student is on Warning or has prevailed upon appeal of the determination that has resulted in the status of probation, as stated in this policy.
   d. Failed written and practical grades can be made up in accordance with the school’s academic policy.

2. **Attendance performance** is evaluated on a cumulative basis, with at least 75% of the contracted attendance schedule for full or part-time students.

3. Evaluations will be presented to the student within 7 business days of the evaluation. All student evaluations are maintained in the student file. Students will be informed if any evaluation impacts their eligibility for financial aid.

4. A Student with approved Leave of Absence, withdrawal, or official school interruption, will not be required to meet A1 or A2 above, for the period of their absence, upon reentering the program and will maintain the same level as Satisfactory Progress as when their absence began.

The school allows for the status of **Warning** for students who are not considered meeting minimum standards for satisfactory academic progress if; A student has not achieved the minimum cumulative GPA of 70% and/or has not successfully completed at least a cumulative rate of attendance of 75%, as stated in A1 and A2 above, and can meet Satisfactory Progress by the next evaluation period.

2. After the Warning period the school allows for the status of **Probation** for students whose progress is evaluated and determined to not be meeting minimum standards for satisfactory academic progress during the Warning period if:

   a. A student has not achieved the minimum cumulative GPA of 70% and/or has not successfully completed at least a cumulative rate of attendance of 75%, as stated in A1 and A2 above, and can meet Satisfactory Progress by the next evaluation period; and
b. The student prevails upon appeal of a negative determination prior to being placed on probation; and

c. The school determines that satisfactory academic standards can be met by the end of the subsequent evaluation period; or

d. The school will develop an academic plan for the student that, if followed, will ensure that the student is able to meet the institution’s satisfactory academic progress requirements by a specific point within the maximum timeframe established for the individual student.

e. Unsatisfactory progress is defined as: A student failing to meet Al or A2 for two evaluation periods in succession. Students will be notified in writing if an unsatisfactory progress report affects their financial aid eligibility.

f. Students must meet both the attendance and academic progress requirements on at least one evaluation by the midpoint of the course to be considered making satisfactory progress as of the midpoint of the course.

g. Incomplete’s, withdrawals, repetitions, or remedial work have no effect on the institutions Satisfactory Academic Progress standards.

**Maximum Time Frame:** To remain eligible for continued enrollment students must complete their program within a specified time frame. The program Time Frames for our courses are as follows:

<table>

(Other time frames may be agreed upon in student’s contract. Not to exceed 133% of NACCAS approved program length.)

If a student surpasses the Maximum Time Frame of their course and have not earned all course completion requirements set forth in this policy and in the school catalog, by the expiration date of their contract, they agree to pay the rate of $10.00 per hour of enrollment until their course is completed or they withdraw from school.

h. If a student is approved for a Leave of Absence their contract end date and Maximum Time Frame will be extended by the same number of days as the Leave of Absence. A Leave of Absence may be granted only in cases of three or more days and must be made in advance of time off. Any arrangement for an absence is at the permission of the school management and is granted by the sole authority of the school management. This privilege of granted leave is only available to a “student in good standing”. See the Leave of Absence Policy at the end of this policy.

Reinstatement of a student in good standing status and of financial aid eligibility:
Students who have lost the status in good standing or their eligibility for financial aid can be reinstated accordingly by improving their academic, and/or attendance to the designated standards of satisfactory progress.

- **Appeals:** Appealing an unsatisfactory progress report:
  1. The basis for filing an appeal, such as death of a relative, injury or illness of the student, or other special circumstances, must be documented on or attached to an Appeal Form.
2. The student may obtain an Appeal Form from the Lead Instructor or Record Keeper. The form must include documentation of why the student failed to make Satisfactory Academic Progress and what has changed in the student’s situation that will allow the achievement of Satisfactory Academic Progress at the student’s next evaluation. Once the Appeal Form has been completed by the student it must be returned to the Record Keeper. If the school grants the appeal, it may impose conditions for the student’s continued eligibility to receive Title IV, such as, changing schedules. If the appeal is granted the student will be placed on Probation for one evaluation period. If at the end of the Probation period, the student has not met both academic and attendance requirements all federal aid will be suspended. Students may reestablish satisfactory progress by meeting minimum attendance and academic requirements at the next evaluation period. If the student has not met academic and attendance requirements for two (2) consecutive evaluation periods, and does not prevail on appeal, the student will be determined as not making satisfactory progress and may be terminated.

3. For students who are not meeting academic requirements the school’s educational team will develop an academic plan that will assist the student in meeting the school’s academic requirements by the next evaluation period.

4. Results of all Appeals are recorded on an Appeal Results form and a copy is placed in the student’s file.

i. TR accepted by the school are applied to the total number of hours necessary to complete the program and are considered both attempted and completed hours for the purpose of determining when the allowable maximum time frame has been exhausted. The transfer students transfer evaluation points are the established evaluation points OR the midpoint of the contracted hours, whichever comes first.

LEAVE OF ABSENCE POLICY

- A student may take a Leave of Absence if they are going to be out of school for an extended amount of time. A Leave of Absence (LOA) is a temporary interruption in a student’s program of study and refers to a specific period of non-attendance.
- No Leave of Absence will be granted for more than 180 days. If more than the allotted 180 days is needed or if a student does not return by the agreed upon date, formal withdrawal procedures must be followed.
- Multiple Leave of Absences may be granted during the duration of a student’s contract, and they will not interrupt the student’s satisfactory progress. If student was deemed maintaining Satisfactory Academic Progress prior to LOA or withdrawal of training, upon his/her return, the student is deemed in good standing and may continue the program of study from the point of interruption.
- The student is required to follow the school’s policy in requesting the LOA. When requesting a Leave of Absence, the student must state the reason for the leave in writing and it must be signed by the student, at least three days prior to the leave, unless unforeseen circumstances prevent the student from doing so. In the case of unforeseen circumstances, if the school grants a LOA the school will document the reason for its decision and collect the request from the student at a later date. In this example, the beginning date of the approved LOA would be determined by the institution to be the first day the student was unable to attend the institution because of the unforeseen circumstance.
- For the Leave of Absence to be granted there must be a reasonable expectation that the student will return from the leave.
- The Institution must extend the students contract by the same number of days taken in the LOA. Changes to the contract on the enrollment agreement must be initialed by both parties or an addendum must be signed and dated by all parties.
- The school does not grant an LOA which does not meet the conditions of an approved LOA for Title IV purposes (for example, for academic reasons); the school considers this a withdrawal for Title IV purposes.
- No additional charges will be assessed due to a student taking a Leave of Absence, the student’s need may not increase, and the student is not eligible for any additional Federal Student Aid.
- LOA timeframe does not involve any additional charges from Centralia Beauty College.

CENTRALIA BEAUTY COLLEGE
WITHDRAWAL POLICY

Official Withdrawal – notification of withdrawal

A student desiring to withdraw from the Centralia Beauty College must confer with the President/Owner of the school and obtain the Official Withdrawal Form. Refunds are based on the student’s last date of attendance. Withdrawals are processed through the Business Office, which then proceeds with necessary Return to Title IV calculations. The Business Office will record the date of the student’s withdrawal notification to the school or the date the student was expelled/dismissed from the school.

Unofficial Withdrawal – no notification of withdrawal

If a student is enrolled in a course and discontinues class attendance, he/she is required to complete and submit official withdrawal papers. However, if the student decides to leave Centralia Beauty College without completing and submitting official withdrawal papers, he/she is considered unofficially withdrawn and is subject to receiving failing grades for the term and of being assessed appropriate charges. Students are considered to have Unofficially withdrawn after 10 school days (14 calendar days) after the student’s last date of physical attendance.

Student on Leave of Absence

A student who has been granted a LOA will be considered withdrawn if he/she does not return to school at the end of the LOA. In said case, the student should be informed that the last day of physical attendance is used for the purpose of calculating the Return of Title IV funds. The determination date of withdrawal will be the earlier of the scheduled date of return from the leave of absence OR the date the student notifies the school that he/she will not be returning.

The following pages are examples of the forms used for Return to Title IV Calculations and Post Withdrawal Disbursements. These forms are used to determine the amount of Federal Funding a school has earned and the amount a school must return, upon withdrawal of a student.
## Treatment Of Title IV Funds When A Student Withdraws From A Clock-Hour Program

### STEP 1: Student’s Title IV Aid Information

<table>
<thead>
<tr>
<th>Title IV Grant Programs</th>
<th>Amount Disbursed</th>
<th>Amount That Could Have Been Disbursed</th>
</tr>
</thead>
<tbody>
<tr>
<td>Pell Grant</td>
<td></td>
<td></td>
</tr>
<tr>
<td>FSEOG</td>
<td></td>
<td></td>
</tr>
<tr>
<td>TEACH Grant</td>
<td></td>
<td></td>
</tr>
<tr>
<td>Iraq and Afghanistan Service Grant</td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

### STEP 2: Percentage of Title IV Aid Earned

**Withdrawal date** / / 

**H. Determine the percentage of the period completed:**

Divide the clock hours scheduled to have been completed as of the withdrawal date in the period by the total clock hours in the period.

\[ \text{Hours scheduled to complete} \div \text{Total hours in period} = . \% \]

- If this percentage is greater than 60%, enter 100% in Box H and proceed to Step 3.
- If this percentage is less than or equal to 60%, enter that percentage in Box H, and proceed to Step 3.

### STEP 3: Amount of Title IV Aid Earned by the Student

Multiply the percentage of Title IV aid earned (Box H) by the total Title IV aid disbursed and that could have been disbursed for the period (Box G).

\[ \% \times \text{Box G} = \text{I.}\$ \]

### STEP 4: Title IV Aid to be Disbursed or Returned

#### J. Post-withdrawal disbursement

From the amount of Title IV aid earned by the student (Box I) subtract the total Title IV aid disbursed for the period (Box E). This is the amount of the post-withdrawal disbursement.

\[ \text{Box I} - \text{Box E} = \text{J.}\$ \]

If there’s an entry for “J,” STOP here, and enter the amount in Box 1 on Page 3 (Post-withdrawal disbursement tracking sheet).

#### K. Title IV aid to be returned

From the total Title IV aid disbursed for the period (Box E) subtract the amount of Title IV aid earned by the student (Box I). This is the amount of Title IV aid that must be returned.

\[ \text{Box E} - \text{Box I} = \text{K.}\$ \]

You should use this format when the withdrawal date is on or after 7/1/2021.
**STEP 5: Amount of Unearned Title IV Aid Due from the School**

<table>
<thead>
<tr>
<th>L. Institutional charges for the period</th>
</tr>
</thead>
<tbody>
<tr>
<td>Tuition</td>
</tr>
<tr>
<td>Room</td>
</tr>
<tr>
<td>Board</td>
</tr>
<tr>
<td>Other</td>
</tr>
<tr>
<td>Other</td>
</tr>
</tbody>
</table>

Total Institutional Charges (Add all the charges together) = L.$

**M. Percentage of unearned Title IV aid**

\[
100\% - \frac{\text{Box Q}}{\text{Box H}} = M.\% 
\]

**N. Amount of unearned charges**

Multiply institutional charges for the period (Box L) by the percentage of unearned Title IV aid (Box M).

\[
\text{Box L} \times \frac{\text{Box M}}{100} = N.$
\]

**O. Amount for school to return**

Compare the amount of Title IV aid to be returned (Box K) to amount of unearned charges (Box N), and enter the lesser amount.

O.$

**STEP 6: Return of Funds by the School**

The school must return the unearned aid for which the school is responsible (Box O) by repaying funds to the following sources, in order, up to the total net amount disbursed from each source.

<table>
<thead>
<tr>
<th>Title IV Programs</th>
<th>Amount for School to Return</th>
</tr>
</thead>
<tbody>
<tr>
<td>1. Unsubsidized Direct Loan</td>
<td></td>
</tr>
<tr>
<td>2. Subsidized Direct Loan</td>
<td></td>
</tr>
<tr>
<td>3. Direct Graduate PLUS Loan</td>
<td></td>
</tr>
<tr>
<td>4. Direct Parent PLUS Loan</td>
<td></td>
</tr>
</tbody>
</table>

Total loans the school must return = P.$

**STEP 7: Initial Amount of Unearned Title IV Aid Due from the Student**

From the amount of Title IV aid to be returned (Box K) subtract the amount for the school to return (Box O).

\[
\text{Box K} - \text{Box O} = Q.$
\]

If Box Q is \(\leq\) zero, STOP. If greater than zero, go to Step 8.

**STEP 8: Repayment of the Student’s Loans**

From the Net loans disbursed to the student (Box B) subtract the total loans the school must return (Box P) to find the amount of Title IV loans the student is still responsible for repaying (Box R).

These loans consist of loans the student has earned, or unearned loan funds the school is not responsible for repaying. They are repaid to the loan holders according to the terms of the borrower’s promissory note.

\[
\text{Box B} - \text{Box P} = R.$
\]

If Box Q is less than or equal to Box R, STOP. The only action a school must take is to notify the holders of the loans of the student’s withdrawal date.

If Box Q is greater than Box R, proceed to Step 9.

**STEP 9: Grant Funds to be Returned**

**S. Initial amount of Title IV grants for student to return**

From the initial amount of unearned Title IV aid due from the student (Box Q) subtract the amount of loans to be repaid by the student (Box R).

\[
\text{Box Q} - \text{Box R} = S.$
\]

**T. Amount of Title IV grant protection**

Multiply the total of Title IV grant aid that was disbursed and that could have been disbursed for the period (Box F) by 50%.

\[
\text{Box F} \times 50\% = T.$
\]

**U. Title IV grant funds for student to return**

From the initial amount of Title IV grants for student to return (Box S) subtract the amount of Title IV grant protection (Box T).

\[
\text{Box S} - \text{Box T} = U.$
\]

If Box U is less than or equal to zero, STOP. If not, go to Step 10.

**STEP 10: Return of Grant Funds by the Student**

Except as noted below, the student must return the unearned grant funds for which he or she is responsible (Box U). The grant funds returned by the student are applied in order as indicated, up to the amount disbursed from that grant program minus any grant funds the school is responsible for returning to that program in Step 6.

Note that the student is not responsible for returning funds to any program to which the student owes $50.00 or less.

Totals

Because COD will only accept whole dollar entries for Direct Loans, a Direct Loan disbursement will have to be rounded up or down to the nearest whole dollar, not to exceed annual or aggregate limits.

If an institution only awards Pell and Iraq and Afghanistan Service Grants in whole dollars, the total award to the student for the period must be rounded up or down to the nearest whole dollar, not to exceed the annual or lifetime eligibility limitations.
