welcome to KINSHIP PATH

Are you a relative or close connection supporting a youth in the foster care system? Sounds like you’re a kinship caregiver!

Meet fellow kinship caregivers in Kinship Path, a program created for kin caregivers to share and build trauma-informed skills!

live sessions and support

Meet fellow kinship caregivers and expert facilitators for ten live, virtual meetings to learn more on highly requested kinship-caregiver topics:

• Trauma-informed care
• Navigating roles
• Partnering with parents
• Supporting your role
• Understanding healthy development
• Building stability
• and so much more!

This program includes the option to earn 26 licensing credit hours.

right-time, fully online options

By registering for Kinship Path, you gain additional access to fully online learnings you can use 24/7, on any internet-connected device:

• Navigating Mental Health Care
• Navigating Physical Health Care
• Navigating the Family Well-Being System
• Sexuality and Gender Support
