Tateuchi Story Theatre can host lectures, presentations, seminars, and films with its high ceilings, acoustically treated walls and seating for up to 70 guests. The historic Nippon Kan Theatre Scrim from the early 1900s serves as the backdrop for this space. Equipment includes a sound system, controlled lighting, LCD projector with viewing screen (7’ high x 13’ wide), DVD/CD player, and capability to hook to a computer for PowerPoint presentations. Other amenities include use of a podium, microphones, and studio director chairs. The Theatre projector must be operated by Museum staff. *Please note: Users may bring their presentation materials on a flash drive or make it accessible via the Cloud to use our onsite laptop with our Screen & Projector.

Ping and Ruby Chow and Family Gathering Space and Learning Studio offers an intimate open-air setting with small tables that can be arranged for seating up to 20 people. It looks out towards the Historic Balcony facing King Street. Ping’s Chinese Opera costume, along with the original “Eight Immortals” wood carving from Ruby Chow’s Restaurant on Seattle’s First Hill, are on display. The room does not have A/V equipment (sound system, screen & projector, etc.). Please note that while the space, located between the first and second floors, does have a door, it is an open-air space, with a balcony, limiting privacy.

Ford Foundation Community Hall provides an ideal setting for large groups for up to 150 guests with mixed standing and seating for a reception, or 100 guests with theater-style seating. This 1,715 square foot room has its own kitchen with refrigerator, microwave, sink, and dishwasher. The hall comes equipped with wireless internet access, a sound system, LCD projector and screen (9’ high x 12’ wide), computer hook up, microphones, and podium. The space includes art installations from local Northwest artists, Ron Ho and Stewart Wong which depicts “Our Heritage, Our Journey, Our Dreams”. *Please note: Users must provide their own laptop with HDMI compatibility or HDMI adapter and appropriate software. Testing equipment prior to event date is mandatory.
Microsoft Board and Community Conference Room is ideal for meetings, presentations, and luncheons. Ten 5’ tables can be configured to your needs and the room can seat up to 24 guests. Equipment includes a projector and screen, speaker system, DVD/CD player, wireless internet access, computer and conference call hook ups, and dry erase whiteboard. A built-in cabinet and kitchen sink can be used to set up luncheons. *Please note: Users may must bring their presentation materials on a flash drive or make it accessible via the Cloud to use our onsite laptop with our Screen & Projector.

The Library can be utilized as a smaller group breakout area. No technology is offered with this space, only tables and chairs are provided. This is a good space for conference-style events.

Welcome Hall is the perfect area for compact and more intimate parties. This area can be used as a reception venue with live performances in the lobby or on the staircase landing. We have had past performances which consisted of a DJ on the staircase landing (as pictured to the left). The Welcome Hall provides easy access to exhibits without removing people too far from central event space.

Venue Logistics

Clients & all related parties may not access facilities except within the timeframe of the contract agreement
Clients, Client Staff, event volunteers, vendors, performing artists, and caterers may enter the facility/room reserved at the start of their contract start time. All aforementioned must also exit the building by end time listed on the contract with all areas cleaned and left in the same state as when Clients first arrived (please refer to Event Clean Up Check List). If any of the aforementioned do access the space earlier or later than the contract times, the event Client will be billed additional expenses for facility use in hour increments. Payment is due upon receipt of the additional bill post the event.

Is the facility going to be set up when we get there?
If your reservation is in a private space (Community Hall, Tateuchi Story Theatre, Board Room), then yes, the facility will be set up according to the most updated layout prior to your arrival. If your event takes place in a public area (Welcome Hall), the set-up will take place at 4:30PM at the earliest, just as the museum is closing to the public.

Will there be staff onsite to help us during our event?
There will be 1-2 event staff available during your reservation to provide insight into the museum and assist with furniture needs. Wing Luke Museum staff do not manage check-in/registration; we require that the Client assign the appropriate staff and volunteers throughout the entirety of their event to oversee and provide check-in/registration services. Wing Luke Museum has security on staff who will be available only for their usual job duties onsite, mainly observing guest behavior and ensuring safety of guests and staff. Security will not be monitoring check-in/registration procedures nor verifying guests’ ability to join the Facility Use event. Wing Luke Museum staff will provide the Client the cleaning materials needed to uphold the Clean-Up Agreement. Additional fees incur if Wing Luke Museum staff are called upon for tech purposes other than initial set-up or trouble-shooting (i.e. running lights during a performance or a PowerPoint during presentations).

When can my rental items be delivered?
Deliveries must be made on the day of your event between 10AM – 5PM and must be picked up on the same day (BEFORE the specified End Time of your Agreement Contract). There is a $500 per day storage fee if items are left in the museum longer than the specified contract time. If the items are left onsite, the companies are only able to retrieve during museum public operating hours.

Client Responsibilities

Event guest check-in table/procedures are to be handled by the Client
Greeting of guests and all applicable check-in procedures (name tags, tickets, ticket purchases or presentation, guest lists, swag bags, donations, and all other applicable options) must be handled by an assigned staff person(s) provided by the Client. This staff person(s) must remain at the designated guest check-in area at all times from the event start time until the event end time as stated on the contract. The Wing Luke Museum will not provide staff for this purpose.
**Mandatory Mandate & COVID Requirements:** All Clients, Client Staff, Volunteers, and Event Guests must wear masks at all times during the event and while on museum premises (with the exception of occasional eating). Event performers, presenters, speakers, vendors, and caterers must also wear masks at all times.

**Clients & all related parties may not access facilities except within the timeframe of the contract agreement**

Clients, Client Staff, event volunteers, vendors, performing artists, and caterers may enter the facility/room reserved at the start of their contract start time. All aforementioned must also exit the building by end time listed on the contract with all areas cleaned and left in the same state as when Clients first arrived (please refer to Event Clean Up Check List). If any of the aforementioned do access the space earlier or later than the contract times, the event Client will be billed additional expenses for facility use in hour increments. Payment is due upon receipt of the additional bill post the event.

**Do we need to clean up after our event?**

Yes, you will need to remove all your items, wipe down the tables, sweep the floors, clean up the kitchen, and empty the garbage/recycling/compost. The Wing Luke Museum staff will be onsite to monitor your clean-up and provide cleaning supplies. Please see the Clean-Up List for more details.

**Who handles the garbage/recycling/compost?**

You are responsible for taking the bags out to the garbage, recycling, and compost dumpsters, located in our loading dock garage off of the Community Hall space. We will supply the garbage bags. However, glass bottles cannot be recycled onsite; these must leave the venue once your event is over. Please arrange with your staff or hired caterers.

**Would you be able to provide a container for all the glass to be disposed of?**

Again, unfortunately we are unable to recycle glass bottles onsite. Please coordinate with your caterer.

**Using likeness of Wing Luke Museum in communications**

The Wing Luke Museum is not and shall not be quoted as a Partner in any event that comes through our Facilities Use program. Communications, flyers, physical signage, etc., may not state or infer a partnership, sponsorship, endorsement, or host on the part of the Wing Luke Museum. The name of the Wing Luke Museum may only be listed as the venue and/or location of the event, and in all communications must not exceed the font size of any text that is descriptive of the event.

The Wing Luke Museum may also not be listed in any communications whatsoever until the contract is signed and the invoice paid in full. “Paid in full” is determined by a completed credit card transaction or a cashed check.

**Entertainment and Decorations**

**Can we have live music/entertainment?**

Yes, but the Wing Luke Museum does not provide any sound equipment of any kind for performing artists including DJs, Karaoke, etc. The museum will be able to provide access to power outlets for electricity.

**Can we have background music played on the PA system?**

If you are interested in playing a set playlist from a device (phone or laptop), we will be able to connect you to either the speaker system in our Community Hall and/or a speaker set-up in the Welcome Hall spaces. Each space must have paid a $50 A/V fee per area of use. Devices are connected via an aux cable. Your phone (namely iPhones) must have the appropriate converter chords. Music played in the Community Hall in this manner will not translate into the Welcome Hall (lobby) and vice versa. If you would like background music played in both areas by this means, you will need to provide two different devices.

**Can we hang decorations inside the facility?**

Yes, so long as it is hung on designated areas within the building and with using painter’s blue tape. We allow decorations to hang from our stairway and landing above the Welcome Hall (lobby) and in the Community Hall on wires along the perimeter (items are held up by clips or zip ties; zip ties are not provided by the venue).
Can we use candles?
Yes, but candles must be kept in a glass container that is as tall as the candle and flame combined. Floating candles are ok.

Catering and Alcohol

What are your catering rules?
We have a Preferred Caterer’s List. If you would like to work with a caterer outside of this list, you may do so for a $100 flat rate Non-Preferred Caterer’s Fee. You may work directly with your caterer for the following services that are applicable to your event: plan menu, all food/beverages, drop-o/pick-up time, waiters, bartenders, bussers, bussing tables, utensils, all china/compostable goods, and table cloths/linens (The Wing DOES NOT provide the afore-listed items/services nor any coordination of these items/services with your caterer).

Do you provide linens, dishes, glassware, serving pieces/utensils?
Unfortunately, no, these must be ordered through your caterer or a third-party rental company such as Pederson’s Rental.

Which types of tables need linens?
Cocktail tables (seated and standing) have woodgrain tops and do not necessarily need covers. We do recommend that any use of 6’x24”, 8’x24”, and 4’x24” tables be covered. For 6’ round tables: if for a banquet, we suggest ordering linens from your caterer; if for a workshop/conference, oftentimes clients go without. Again, the museum does not provide table cloths.

Is alcohol allowed?
Yes, we allow alcohol with prior approval by the Wing Luke Museum. There is a minimum service fee of $250 for events serving alcohol as well as requirements by the state for registering either a banquet permit or a special occasion license, whichever applicable, with the WA State Liquor Control Board online at https://lcb.wa.gov/licensing/special-licenses-and-permits. See more information below under “Permits, Licenses, and Insurance.”

Do we need a licensed bartender?
No, but the Client is responsible for making sure alcohol is not served to or consumed by minors. The legal responsibility for any guest’s consumption of alcohol rests with the individual signing the reservation contract and the individual purchasing the appropriate WA State Liquor license; see below.

Can we have a tip jar for the bartenders? Yes!
