Final GMP/EIS and Record of Decision. **Begin to implement..**

Trails Forever Initiative 2003

- Revitalize trail system
- Reroute trails near fragile habitat
- Connect to other trails and transit
- Provide educational experiences
- Signage
- Trailheads and overlooks
- Develop volunteer trail crews
- Implement existing plans

A joint effort of the **National Park Service**, **Presidio Trust**, and **Golden Gate National Parks Conservancy**

A multi-year, incremental, flexible initiative

Initial focus was on the California **Coastal Trail**

Objectives are to **improve trail condition and quality**, landscape **ecological**
