As representatives of the Midcoast, encompassing the unincorporated communities from Montara to Miramar, the MCC supports CoastPride and its new community center in Half Moon Bay. The center on Main Street will play an important role in raising awareness of Lesbian, Gay, Bisexual, Transgender, Questioning and Intersex (LGBTQI+) issues, creating a safe space for LGBTQI+ Coastsiders and allies to gather, and addressing the needs of our youth, families and adults.

Our communities enjoy a diverse population including LGBTQI+ members, people of color, low-income residents, and others, many of whom will benefit from having a welcoming group of volunteers creating essential programs for youth, parents and caregivers. We're thankful that CoastPride has stepped in to help fill this role.

We join you this Pride month in not only celebrating our diverse community, but helping to raise awareness of issues that LGBTQI+ individuals face, and striving to create a Coastside that welcomes and celebrates people of all sexual orientations and gender identities.
