

Connect the Coastside - 5 Year Priority Projects

Community	Code	Planning-level Cost Estimate for Completion (Table 35)	5 Year Goal (summarized from Table 34)
Montara			
Highway 1 Side Street Stop Signs	R2		Install stop signs on side streets where missing
Highway 1 Improved Pedestrian Crossings (1)	Pe1A		Seek funding for 1 crossing at 1st St, 2nd St, or 7th St
Bicycle Parking	B5		Plan and implement short-term bicycle parking at various locations
Moss Beach			
Highway 1 Side Street Stop Signs	R2		Install short-term bicycle parking
Highway 1 and California Avenue Intersection Control	R6	\$ 4,961,000	Complete Caltrans required Project Initiation Documents
Highway 1 and Cypress Avenue Intersection Control	R7	\$ 13,983,000	Complete Caltrans required Project Initiation Documents
Connect Carlos St. directly to 16th St	R9	\$ 1,123,000	Complete Feasibility Analysis
Highway 1 Improved Pedestrian Crossings (1)	Pe1A		First crosswalk with RRFB at Virginia Ave
Highway 1 Multimodal Parallel Trail	Pe2		Secure Design Funding
Airport Street Bikeway and Cypress Connections	B2		Seek funding to engage in planning-level corridor study for 30% Design
Bicycle Parking	B5		Plan and implement short-term bicycle parking at various locations
Princeton			
Highway 1 Improved Pedestrian Crossings (1)	Pe1A		Seek funding to begin design process for Capistrano Road N
Highway 1 Multimodal Parallel Trail	Pe2		Secure Design Funding
Airport Street Bikeway and Princeton Connections	B2		Seek funding to engage in planning-level corridor study for 30% Design
Bicycle Parking	B5		Plan and implement short-term bicycle parking at various locations
El Granada			
Highway 1 Improved Pedestrian Crossings (1)	Pe1A		Seek funding to begin design process for at least 1 of the 2 crossings between Sam's and Coronado, or at Coronado Street (see below)
Improved Pedestrian Crossing at Signal	Pe1C	\$ 121,000	Highway 1 Signal at Coronado
Highway 1 Multimodal Parallel Trail	Pe2		Complete to Coronado, Secure Design Funding for north of Coronado
Bicycle Parking	B5		Plan and implement short-term bicycle parking at various locations
Miramar			
Highway 1 Side Street Stop Signs	R2		Install stop signs on side streets where missing
Highway 1 Improved Pedestrian Crossings (1)	Pe1		Seek funding for 1 crossing at Medio Avenue or Mirada Road
Highway 1 Multimodal Parallel Trail	Pe2		Complete implementation of Phase 1 trail north to Coronado
North of Montara			
Gray Whale Cove Turn and Acceleration Lanes	R3	\$ 438,000	Continue engagement with Caltrans to complete project
Upper Gray Whale Cove Parking Lot Improvements	Pa1	\$ 1,219,000	
Highway 1 Improved Pedestrian Crossings (1)	Pe1A		Complete implementation of crossing at Gray Whale Cove
Bicycle Parking	B5		Plan and implement short-term bicycle parking at various locations
Multi Site Notes			
Highway 1 Side Street Stop Signs	R2	\$ 27,000	Deployment Complete
Highway 1 Improved Pedestrian Crossings	Pe1A - C	\$ 2,262,000	Complete design (1) SR1 pedestrian crossing in each community
Highway 1 Multimodal Parallel Trail	Pe2	\$ 9,116,000	Complete Conceptual Design for Coronado through Moss Beach
Airport Street Bikeway and Princeton Connections	B2	\$2,017,000	Complete 30% Design
Bicycle Parking	B5	\$ 340,000	Deployment Complete
