Subject: **Surfers' Beach Highway 1 Erosion Protection**

Dear Supervisor Horsley:

The Midcoast Community Council (MCC) recognizes that Surfers' Beach is a significant destination for recreation in San Mateo County and that Highway 1 at Surfers' Beach is an important transportation corridor on the San Mateo County Coast.

Therefore the MCC:

1. Supports your letter requesting action on the part of Caltrans to protect the highway, as an emergency may be just one storm away.
2. Requests that a member of the MCC be invited to future multi-agency meetings on this issue, to help represent the local public, and to bring proposed solutions back to the community.
3. Requests that the County ask Caltrans to describe their options for re-routing traffic if the highway fails.

Thank you for your consideration and support.

Sincerely,

s/Laura Stein, Chair
Midcoast Community Council
