The Midcoast Community Council presents the attached white paper, “The Midcoast Pedestrian and Bike Plan 2011” for inclusion in the San Mateo County CCAG’s Comprehensive Pedestrian and Bike Plan. This white paper provides a definition of the “multi-modal trail” through the Midcoast community and references other pedestrian and bicycle trails. This report has not been fully vetted with the public. It is informed by a number of individuals with strong background on the relevant issues.

The following are additional documents that should be considered in this matter:

- Highway 1 Safety and Mobility Study (Approved - Phase 1)  
<http://www.co.sanmateo.ca.us/Attachments/parks/Files/Parks%20Planning/Highway%201%20Safety%20and%20Mobility%20Improvement%20Study.pdf>
- California Coastal Trail – San Mateo County Midcoast - Mirada Surf to Pillar Point) – Approved  
<http://www.co.sanmateo.ca.us/Attachments/parks/Files/Parks%20Planning/California%20Coastal%20Trail%20Report.pdf>
- California Coastal Trail North (Pillar Point to Devil’s Slide) – Draft under review  
<http://mprc.sanmateo.org/pdf/CCT%20Midcoast%20North%205-11-2011.pdf> (Attached)

This white paper will also be provided to the Midcoast Highway 1 Safety and Mobility Study - Phase 2, a transportation and trails planning process that is currently in process. The study is directed by Steve Monowitz, the long range planner for the San Mateo Planning Department.

Thank you for your consideration.

Sincerely,  
s/Len Erickson  
Chair, Midcoast Community Council
