7a. Discussion and possible action to review the possibilities for public parking in the proximity of Comonado and Hwy 1 in El Granada. Currently there is a lack of available parking for beach access. Because the highway project at the intersection will include a crosswalk with a signal, this area may be appropriate for some type of parking improvement.

Desired Outcome: Prepare a presentation for the 6/12/02 MCC meeting and seek formal Council comments which will be forwarded to Caltrans, the County Department of Public Works and interested citizens/ groups for continued discussion.
