Dear President Jacobs Gibson and Members of the Board,

At our February 12, 2003 meeting, the MidCoast Community Council unanimously voted to recommend passage of local Measure A, a proposed parcel tax to benefit the Cabrillo Unified School District. While several Councilmembers voiced legitimate concerns about the District's need to update the Facilities Master Plan and revise long range budgetary projections, there was strong support for providing the additional funding that is so urgently needed by our local schools.

The MidCoast Community Council looks forward to working closely with representatives from the Cabrillo Unified School District on a variety of issues that affect our common constituents. We share the District's goal of providing a quality education to each and every student and we urge the Board to formally endorse Measure A.

Sincerely,

Sandy Emerson, Chair
MidCoast Community Council
