To Whom It May Concern:

The MidCoast Community Council is an elected advisory body to the San Mateo County Board of Supervisors. We represent 12,000 residents of the unincorporated San Mateo County coast.

The health and general welfare of all of our constituents are of great concern to us. The Consortium for Coastside Health has made presentations at several of our public meetings and we have come to respect and highly value the essential work they do within our community.

We are pleased to support the San Mateo County HCH Programs application for a New Access Point in the Coastside region of San Mateo County. The MidCoast Community Council stands ready to assist the Consortium for Coastside Health with their outreach efforts to inform the public of these vital services and ensure that eligible families receive the treatment they need.

We strongly endorse this innovative, BPHC-funded program and welcome the opportunity to contribute to this important effort.

Sincerely,

Sandy Emerson, Chair  
MidCoast Community Council
