Consent Agenda

The Council generally approves Consent Agenda items as a group, without discussion, but any item may be moved to the Regular Agenda upon request.

1. Approval of proposals to streamline Council meetings, shorten the length of meetings, define responsibilities of agenda item sponsors, formalize notification procedures and establish guidelines for the submission of minority opinions. This item was discussed during the regular agenda of the June 14, 2000 meeting and several suggestions were offered during deliberations.

Regular Agenda

The Council may vote to take appropriate action on any of the following items:

1. Discussion and possible adoption of procedures presented by the Planning and Zoning Committee to deal with time-sensitive projects and/or design changes when there is insufficient time for said projects to be reviewed on the regular MCC agenda. Sponsor: Chuck Kozak. Estimated Start: 8:00 p.m.

2. Inquiry into affordable housing for the Midcoast. Topics for discussion will include the role which the County currently plays in developing affordable housing possibilities locally and county-wide and to what degree the community can act as the driving force behind affordable housing alternatives which are appropriate for the area. Sponsor: Chuck Kozak. Estimated Start: 8:45 p.m.

3. Update on continuing Council projects. Brief status reviews, and possible direction, on in-progress projects.

Regular meetings of the Midcoast Community Council are held the second and fourth Wednesday of each month. See other side for the regular Order of Business. Agendas are posted in the El Granada, Montara, and Moss Beach Post Offices at least 72 hours before each meeting, and are available electronically at the Council's

Web site.
