re: PLN 1999-00930 - Design Review and Coastal Development Exemption for second story addition and enclosure of existing patio. 1041 Cedar in Montara. APN 036-151-490.

Ms. Toy:

On 1/19/00, the Planning and Zoning committee of the MidCoast Community Council was scheduled to review the above referenced permit application. Because the applicant or anyone else familiar with the project did not attend our meeting, it has been continued to our next scheduled meeting on February 2, 2000.

Thank you for your help with this project and for supplying us with the needed materials.
