Dear President Nevin and Supervisors Church, Gordon, Hill and Jacobs Gibson:

At our May 23 meeting, the MidCoast Community Council voted on recommendations to your Board concerning the eight available positions on the MidCoast Design Review Committee. We appreciate the opportunity to participate in the process which will appoint the Committee members. For many years MidCoast residents have recognized the need for local review of development projects and we are eagerly awaiting the formation of the Committee and the development of specific guidelines which will assist appointees in effectively fulfilling their responsibilities as Committee members.

After interviewing each of the candidates, the Council unanimously makes these recommendations:

Montara

Karen Wilson, primary appointee
Barbara Lewicki, alternate

Moss Beach

James Rudolph, primary appointee
There were no additional applicants for this position

El Granada

Morgan Walford, primary appointee
William Katke, alternate

Miramar

Dennis Doherty, primary appointee
Linda Montalto Patterson, alternate

Thank you for your careful consideration of the MidCoast Community Council's recommendations. If you have any questions, please don't hesitate to call.

Sincerely,

Laura Stein, Chair
