Time: 7:30 PM

Meeting Agenda

Call to Order and Introductions

Public Comment

The public can comment on any item not on the regular agenda. The Committee, however, can take no action on these comments.

Regular Agenda

1. Discussion on 5 Apartment complexes proposed for El Granada. Expected outcomes could be recommendations on specific projects, general concept recommendations on designs and/or parking, or possible recommendations on zoning change proposals for future public meeting discussions with county personnel. Time Limit : 45 minutes
2. Discussion on proposal for re-modeling FogLifter in Montara. Discussion will be limited to parking situation, as committee has already approved design. Time Limit : 15 minutes.
3. Discussion on proposal for second story addition to 123 7th street in Montara and possible view blocking from Hwy 1. Time limit : 15 minutes.
4. Discussion on EIR for Moss Beach Highlands project (mixed affordable/residential). Outcome could include any recommendations to be made to the MCC on specific project or related zoning. Time Limit : rest of evening.
5. Any emergency items that may need to be handled due to time response requirements.
