ABAG / Grant

MIDCOAST COMMUNITY COUNCIL
P.O. BOX 64
MOSS BEACH, CA 94038

May 15, 1996

San Mateo County
Board of Supervisors
The Honorable Ruben Barrales, President

Subject: ABAG grant application

The Association of Bay Area Governments (ABAG) provides grant opportunities for the purpose of creating Comprehensive Subregional Planning (CSP) projects. These promote land use planning which consider the needs of several interrelated areas.

At the May 8th meeting, representatives from the City of Pacifica put forward the proposal that we participate, along with Half Moon Bay and the County, in a CSP project. They asked specifically for our endorsement to proceed with the grant application.

A motion was made and carried 6-0 to participate in and endorse this CSP project.

We ask the Board of Supervisors to pass their own motion of support for the ABAG grant application, as the County will also be a participant in this CSP project.

Thank you for your consideration and the continuing support

Sincerely,
MidCoast Community Council

Joe Fitting
Council member

Chris McComb
Chair of MCCC
