CPR1 Hands Across Mountain event planned May 1, 11am.

Subcommittee reports:

Views: Progress being made on view protection ordinance. Meeting every Monday at airport, 7:30 PM until finished.

Water: County providing expert witness on behalf of Fire District for PUC hearing. Next meeting 5/18/94 7:30 at airport.

REGULAR AGENDA:

Council Vacancy: Mr. Riddell and Mr. Spieselman introduced themselves to the audience, followed by question and answer period.

Princeton
Drag Racing: Mr. Bob Senz presented his plan for monthly drag races at airport (eastern-taxiways) to benefit a proposed Coastside Boys and Girls Club, anticipating an October 1994 kickoff date. The concept of activities for youth, and a safe drag racing environment, received some support from members of the public. Neil Cullen and Gary Peterson of DPW were present to explain County permit process in connection with this project. Sgt. Hoss reassured public on safety issues. Opposition voice by residents of mobile home park about one-quarter mile away, due to concern about noise and possibly unruly participants. Cynthia Stern expressed outrage about the apparent "fait accompli" attitude displayed by promoters and County staff, and her concerns were echoed by other members of the public and Council.

It was suggested that Mr. Senz plan meetings in the Moss Beach community before advancing his project much further.

MidCoast Street Improvements: Further subcommittee discussion needed.
Postponed to future agenda.

Brown Act changes: County Counsel available for mini-lecture on 5/25.
Postponed.
