Re: Ric (Richard) Lohman

Dear President Huening:

Earlier this year, Suzanne Hays Kane informed us that she would withdraw from the Council. The MidCoast Community Council advertised the vacancy and the response was quite good with four very qualified people tossing in their hats. The Council held a series of public meetings in May 1995 to hear and to interview candidates, and on June 14, 1995, the Council voted to recommend Ric Lohman.

Mr. Lohman impressed us with his grasp of the issues facing the MidCoast and displayed his interest and problem solving abilities during both the interviews, and the question-and-answer sessions. He had previously worked on Council subcommittees and apparently was still willing to have his name and phone number printed on the meeting agenda.

It is with great pleasure that the MidCoast Community Council hereby recommends to the Board of Supervisors that Mr. Ric (Richard) Lohman be appointed to fill the Council vacancy.

Very truly yours,

James Marsh
Chair, MidCoast Community Council
