P.O. Box 64  
Moss Beach, Ca. 94038

Mr. Gary Peterson  
Airport Manager  
620 Airport Drive  
San Carlos, Ca. 94070

Dear Gary:

This is in response to the Final Draft of Noise Handout for the Half Moon Bay Airport. For your deadline of September 1, 1992.

I am extremely please with the draft, and look forward to the implementation the new Noise Abatement Procedures. I am also certain that the majority of our communities will be pleased also.

Gary, I want to thank you for all of the time that you and you staff have put into this issue, and the results that have been accomplished. Also to your professional approach that you have taken from the beginning. I have personally learned through this process and understand how difficult this issue is. You have made a gigantic step forward for the communities that are affected hear on the Coastside.

I also want to thank you for all of you help and assistance you have given to the Midcoast Community Council. The new office that you have arranged for us looks like it will workout well.

Again, thank you and I also pass along my empathy for the very difficult job that you have. Patience must be listed at the top of you job description.

Sincerely,

Sally R. Campbell  
Co-Chair
