Supervisor Mary Griffin
President, San Mateo County Board of Supervisors
County Government Center
Redwood City, CA. 94063

Dear President Griffin,

This will serve as a follow-up on the matter of a proposal to explore establishment of a Lighting and Landscape District encompassing the City of Half Moon Bay and the unincorporated communities of the Midcoast.

In a letter to the Board dated November 4, 1992, the Midcoast Community Council indicated interest in this proposal. However, subsequent discussions lead us to believe that this was premature. Community members within our jurisdiction have indicated overwhelmingly that they oppose a Lighting and Landscape District in conjunction with the City of Half Moon Bay. Enclosed you will find signed petitions attesting to this position.

While this particular proposal has not been met with support, we welcome ongoing discussions with the County on options for enhancing recreation opportunities for residents in our communities.

Sincerely,

Nadia Bledsoe
Chair, Midcoast Community Council
