

# Do you feel like you have a voice here?

Coastside1989

Are you happy with the decisions that others are making for you?  
Are you satisfied with the way the Coastside is developing?

We, the people of Montara, Moss Beach, El Granada and Princeton are in the process of establishing a **Community Council** to better address the many questions concerning our growth and future. We need you to be at the next meeting to speak up and to help make it happen!
