MINUTES: The Minutes of the April 5 Steering Committee were read and approved with the following correction: "Bill Kehoe" volunteered to organize the booth. (See Earth Day).

FUND RAISING: Karen Keane of the Fund Raising Committee suggested that all Mid-Coast Community Council members assist in fund raising by soliciting funds from neighbors and acquaintances in the community. The solicitation effort is also a good way of educating the community about the goals of the Council.

Judy Macias asked members to bring donations to the May 17 Steering Committee meeting, along with the names of at least 10 people who are willing to be on our mailing list.

Nancy Hansen suggested that the Council clarify fund raising goals by preparing a budget.
