Honorable Board of Supervisors

Dear Supervisor:

We would like to update our activities concerning the Princeton Rezoning proposal now before the Board of Supervisors.

Since our letter to the Board dated February 5, 1990 members of the Steering Committee of the MidCoast Community Council have discussed the proposal in detail with members of the Princeton Citizens Advisory Committee. The MidCoast Community Council also presented a public informational meeting on April 12, 1990 with the participation of the Princeton Citizens Advisory Committee, at which the pros and cons of the plan were discussed. At this public meeting the Council stated that the MidCoast Community Council neither approves nor disapproves of the rezoning plan.

Thank you for holding the forthcoming Board of Supervisors meeting on April 24, 1990 on the Coastsides during evening hours so that there may be maximum community input.

Sincerely,

Nancy Hansen
Chair, Steering Committee
MidCoast Community Council
