PRESS RELEASE MIDCOAST COMMUNITY COUNCIL
FOR PUBLICATION WEEK OF OCTOBER 8, 1990

The MidCoast Community Council will hold its next Town Hall Meeting on Thursday, October 11, 1990 at 7PM in the El Granada School multi-purpose room.

This special meeting will consist of a mock council meeting to introduce the community to the format set down by the newly completed Bylaws. The foundation of the MidCoast Community Council is based on community participation, feedback and support, especially the unincorporated communities of Miramar, El Granada, Princeton, Moss Beach and Montara. The entire community is invited to participate through the Town Hall format.

After almost a year of hard work, the organizational structure of the MidCoast Community Council has taken shape through the new bylaws. It is an empowering document from the standpoint of members of the community. It facilitates a true representative government that will give the unincorporated communities of Miramar, El Granada, Princeton, Moss Beach and Montara a way to communicate collectively and strongly with the San Mateo County Board of Supervisors and other governmental agencies.

Refreshments and a stimulating agenda will be provided.
