

MIDCOAST COMMUNITY COUNCIL
STEERING COMMITTEE MINUTES
MAY 8, 1991

Recorded by Nancy Hansen

Attend.: Nancy Hansen, Cynthia Koepf, Danny Moses, Mal Dolmatz, Bill Mahar

Minutes of April 24, 1991 Steering Com. meeting approved

Resolution Draft #2. Hand delivered by C. Koepf to Casey and reviewed it point by point with him. Cindy talked with Anna Eshoo, who did not see a need for a face to face meeting. Anna said "Have no doubts about the resolution and if you have any doubts, pull it off the agenda". Anna's office will let us know the time we are on the agenda. We need to designate 1 or 2 spokespersons to represent the group, give a brief presentation and field questions from the Supervisors.

Proposed changes to Resolution Draft #2 by Jerry Laster (Jerry unable to attend mtg.) presented by C. Koepf. Insert A concerns how length of terms for the first sitting council to achieve the staggered terms. Election laws precede any statement in the Resolution and can be taken care of at a later date. Insert B concerns continued organization of the council in the interim between adoption of the Resolution and the election. Those present see no need to include Insert B. Therefore, it was decided that any changes to Resolution #2, would mean pulling it from the BofS agenda and TIME IS OF THE ESSENCE.

Spokespersons: C. Koepf will be available to field questions from the Supervisors and N. Hansen will give a brief history of the organization.

Publicity: As it has always been the policy of the MCCC to publicize its activities, Bill Mahar will contact R. Connelly of the HMB Review and N. Hansen will send a press release to the Beachcomber, SF Chronicle, SJ Mercury-News, and the SM Times.

The next meeting will be Tues. May 28 at 7:30 at 237 Sevilla Ave., EG.
