Dear Candidate,

Again, thank you for filing to run for a MidCoast Community Council seat.

The Steering Committee would like you to know that, although it will not endorse any particular candidate, it will be sponsoring a candidates' night late in October with the help of the League of Women Voters.

The Committee would also like to invite you to participate in Steering Committee meetings. The date, time and place of each meeting is published in the Beachcomber and the Half Moon Bay Review.

Enclosed is a statement approved by the Steering Committee concerning Campaign Conduct and Spending. We hope you will conduct your campaign within these guidelines.

I look forward to seeing each of you at future Steering Committee meetings.

Nancy Hansen

Chair, Steering Committee
