Re: RTCA application for Rediscovering America/Portola Expedition Trail

Ms Rice,

The Midcoast Community Council supports the application for Community Assistance to plan and develop the cultural and historic trail in San Mateo County.

Trails are an important issue in our area, both for our residents and visitors from all over the world. We have worked on the Coastal Trail routing in our area (unincorporated San Mateo County between Half Moon Bay and Devil's Slide). We are actively participating in the planning process for this new trail.

We will keep our community up to date on this trail, and bring community concerns and suggestions back to the Committee.

We are pleased to see this trail incorporating the cultural history of the Native Americans, as well as the Spanish and Mexican periods.

Thank you for your assistance on this project,

MIDCOAST COMMUNITY COUNCIL
