Re: Support for CCC Executive Director Charles Lester

Dear President Slocum and Members of the Board:

San Mateo County and the California Coastal Commission share responsibility for implementing the California Coastal Act of 1976.

The Midcoast Community Council (MCC) appreciates the diligence and effectiveness of the Coastal Commission staff in its role of working closely with County Planning staff on LCP planning matters, as an appeal body for certain Coastal Development Permits, and in its determination of consistency with the Coastal Zone Management Act for proposed federal projects.

Dr. Charles Lester's professionalism and even-handed leadership have been commendable, and the MCC encourages the Board of Supervisors to support his continuation as Executive Director.

Sincerely,

MIDCOAST COMMUNITY COUNCIL
