

2016 Devil's Slide Ride Event Information **MCC Meeting, Wednesday, April 13, 2016**

GENERAL EVENT FACTS

- All funds raised go to benefit Parca, a local non-profit whose programs help people with developmental disabilities live independently.
- The fifth annual event will take place on **Saturday, July 23, 2016**.
- Event participants have a choice between three road cycling routes and three trail run routes. All three cycling routes pass through the Midcoast communities along Highway 1, and a short segment of one of the trail runs is routed through Montara.
- To ensure participant safety and compliance with event rules, multiple controls will be in place:
 - Parca will broadcast announcements at the starting points advising participants to avoid littering, and disrupting the lives of residents along the routes.
 - Course marshals will be stationed at key turns and road crossings.
 - SAG ("Support and Gear") Vehicles and on-foot course monitors will be patrolling the routes to assist injured or incapacitated riders/runners.
 - Course "sweepers" will make sure that all trash is picked up and signage removed after the event.
 - On cycling routes, Ham radio network operators will be riding with SAG vehicles and stationed at each aid station to make sure that communications are consistent throughout the event; even in remote "dead zones."
- Parca is working with County Supervisor Don Horsley's office, City of Pacifica Parks & Beaches, Pacifica Police Department, GGNRA, McNee Ranch State Park, SM County Parks, Mid-Peninsula Open Space District, San Mateo County Public Works, City of Half Moon Bay, LaHonda-Pescadero School District and Pacifica School District to obtain necessary permits and/or approvals; and will be coordinating with CalFire, SM County Sheriff's Department, Pacifica Police, CHP and county emergency services on an Emergency response plan, as has been done for past events.
