Subject: **District 3 Supervisorial District Lines**

The Midcoast Community Council (MCC) is an elected municipal advisory council to the San Mateo County Board of Supervisors, representing the unincorporated Midcoast communities of Montara, Moss Beach, El Granada, Princeton, and Miramar.

The Midcoast community of interest is the Coastal Zone (as regulated under the California Coastal Act), rural and lower density areas, and unincorporated areas that depend on the County for most city functions.

We recommend that the existing District 3 boundaries remain relatively the same, with any necessary adjustments occurring only on the Bayside east of Highway 280. We have the following priorities:

- The existing integrity of the Coastside District 3 west of Highway 280 must remain intact, so as not to dilute this unique community of interest.
- The area where Supervisor Horsley resides must remain in our district.
- In balancing the district population, please consider including or keeping in District 3, Bayside areas most similar to our community of interest as described above.

Thank you for your consideration.
