

Devil's Slide Task Force MCC Discussion

Len Erickson

MCC Regular Meeting

Date: February 22, 2012

Task Force Attendance by the MCC

- History of MCC involvement goes back to 2003
 - Devil's Slide Tunnel Project Aesthetics Committee Report, Phase II - Chuck Kozak and April Vargas of the MCC representing the community
- More recently the MCC has not attended Task Force meetings
 - Policy decision by Supervisor Rich Gordon
- Supervisor Don Horsley is now chair of the Devil's Slide Task Force
 - Don has invited two MCC members to join as community representatives to the task force

Recommended Action

- Selection of members to attend the Devil's Slide Task Force Meetings

South Portal Crossing

- Concern about the South Portal crossing has been a concern since 2003
- 2011 – Review of concerns: Report from the MCC – April 11, 2011
 - Report with Summary approved – April 11, 2011
 - Response from Caltrans and Supervisor Horsley to stay with at-grade crossing in the proposed location.
- Upgrade of Crossing Signals (HAWK – provides for required automobile stop
 - Above Item Details: <http://mcc.sanmateo.org/H1-Midcoast-BG.html>
- Upcoming Actions:
 - Comment by Highway 1 Safety and Mobility Study Consultants

Recommended Action

- Confirm: The community remains concerned about the South Portal crossing
- Prior to the the next MCC meeting
 - The community will hear and be able to question the Highway 1 Safety and Mobility consulting team about their comments
 - The MCC will have a report from its members attending the task force meeting
