

Notes for MCC Agenda Item 4b - Connect the Coastside – Next Steps
June 24, 2018

Following the completion of the Connect the Coastside Virtual Meetings the Midcoast Community will have the opportunity to speak to priorities and consider the elements of Connect the Coastside in further depth.

A starter list of priority items is listed here for consideration.

Written comments from the community are welcome.

Midcoast Community Council <midcoastcommunitycouncil@gmail.com>

- One comment document has been received

Connect the Coastside Top Priorities – Phase 1 – Year 1 – 5 (Starter list for comment)

- Moss Beach Corridor SR1 Roadway (Cypress to California)
 - Intersection Control
 - Crossings
- Other Crossings
 - Lighthouse & 16th
 - 2nd St.
- Carlos Street
- Cypress Avenue

Other items (lower priority or not in scope)

- Parallel Trail - Montara & Moss Beach
- Moss Beach - Interior streets inland from Carlos (DPW projects)
- Airport Street (Plan Princeton Project)

Target: Complete input comments on Connect the Coastside by mid-August. The County team will develop a revised draft for review.
