2024/25 Prospectus

About UK-TEFL

Since starting in 2007, UK-TEFL has progressed to become one of the UK's leading TEFL trainers. Our courses are taught by exceptional trainers, all with extensive experience of teaching TEFL both in the UK and overseas, so they can provide your students with invaluable knowledge and guidance. This will allow your students to gain a great foundation and give them the tools to teach English as a foreign language in the UK and overseas.

UK-TEFL provides interactive online courses, as well as classroom courses in schools across the country. Our courses are suitable for everyone, from those with no prior teaching experience to teachers wishing to turn their qualifications into a TEFL one.

We can work with your timetable to create the perfect package for you. We have lots of different course options available, from introductory workshops to certified TEFL courses.

UK-TEFL is a TQUK platinum-approved training centre. Having this endorsement is a real mark of excellence, as it shows that an external and independent body has approved the high standard of our course provision. TQUK have robust quality assurance systems and procedures in place that need to be met in order to be granted approved status.

Benefits of TEFL For Your Students

UK-TEFL have trained hundreds of schools across the country. See what doors a UK-TEFL course can open for your students.

UCAS PERSONAL STATEMENT

A UK-TEFL certificate can help students stand out from the crowd. For those wishing to further their education at university, the qualification itself and the skills gained from the course can set your students apart when it comes to writing UCAS Personal Statements.

SHORT TERM/LONG TERM WORK

Students can use their TEFL certificate to move abroad and teach English as a Foreign Language across the globe. For those who are looking to use the TEFL certificate in the UK, the course will enable students to teach at summer schools, on placements at UK universities, or set up their own business teaching privately in the future.

For many of our graduates, the course has enabled them to lead lifelong careers in Teaching English as a Foreign Language.

SUPPORT FOR PGCE APPLICATIONS

The course can be particularly beneficial to students wishing to pursue a career in teaching. The course allows students to gain valuable experience in the classroom and the certification demonstrates their commitment to teaching. The course also gives students an understanding of the challenges they may face when teaching those with a limited understanding of the English language. The qualification is also extremely advantageous when applying for jobs.

BOOST CONFIDENCE

A TEFL course can boost the confidence of your students. Within the course your students will learn how to plan ahead, stand up for themselves and speak in front of an audience.

GAP YEAR/TRAVELLING

The UK-TEFL certification provides a great opportunity for students to earn money whilst travelling the world. Whether they are thinking about taking a gap year before or after university, the certificate has no expiry date and is recognised globally.

GAINING CAREER-RELATED SKILLS

The course teaches students a range of new skills which will be beneficial to many different career paths. Your students will acquire transferable skills in a number of different areas such as, communication, teamwork and presentation, which are all important skills to have when applying for jobs.

VOLUNTEERING OPPORTUNITIES

UK-TEFL qualified students can use their new skills to volunteer in the local community or worldwide. They can assist in primary schools, work with refugees in deprived areas or volunteer as an EFL teacher in summer camps abroad.

Courses for your school

Our courses are taught by exceptional trainers with extensive experience in teaching EFL. We'll work with your timetable to create your perfect package!

ESL/EAL Support Training for Teachers

Option 1: Private Classroom Training

Option 2: E-Learning Course

ESL/EAL Support Training

Option 1: Private Classroom Training

1 DAY • 5-21 ATTENDEES PER GROUP • IN-PERSON • AT YOUR SCHOOL

Run this training privately, in-person at your school. The course will be delivered by one of our experienced trainers at your school, with the option to couple together with other local schools, giving you the opportunity to engage in discussions, activities and ask questions throughout. This can also be ran as a live online training session if required.

WHAT YOU WILL COVER:

- **Module 1 - Who's in your classroom.** Looking at the makeup of your classroom, your learner profile and the challenges you face when EAL/ESL students are expected to study in the same class as students who speak English fluently.
- **Module 2 - Challenges EAL learners face in the classroom.** Myth-busting - understanding concepts vs understanding the language.
- **Module 3 - Classroom Management.** Looking at the importance of embedding EAL strategies and techniques into the learning content.
- **Module 4 - Teaching Vocabulary and Grammar.** Taking a look at vocabulary tiers within the classroom and some key areas of grammar.
- **Module 5 - Pronunciation.** We will consider some of the problem sounds in English and how we can help your students understand and pronounce correctly.
- **Module 6 - Receptive and Productive Skills.** In addition to grammar and vocabulary, your students will also need to master the 4 skills in English so this module will look at what resources we can use and how to help them achieve this.

Testimonies

"I really enjoyed the course - it was very interesting learning how complex English actually is as a language! I **learnt a lot of transferable skills** that will be very useful in the future! Diane was an excellent trainer and I really enjoyed the way the course was structured and all the different activities we did to practice and explore everything we were learning."

Esme
2 Day Certified TEFL Course

"I thoroughly enjoyed the course and found it useful. I now have a **greater understanding** of how students can learn English."

Akshayaa
2 Day Certified TEFL Course

"This course was excellent and the resources available were extremely useful for someone who has no experience in teaching."

Georgia
120 Hour Online TEFL Course

"I thought it was useful, not only to gain an insight into how to become a teacher of a foreign language but to also build upon my individual qualities that are necessary in order to do so. Michelle was very helpful and thorough with each task. I never felt like I had any unanswered questions."

Molly
2 Day Certified TEFL Course

"It was interesting to learn how to teach different levels of pupils. The tutor was very engaging and showed us lots of teaching techniques."

Duncan
Certified 2-Day TEFL Course

"I am just **really grateful for this opportunity**, thank you UK-TEFL! I plan to use it to teach in a foreign country that has a high demand/need for English teaching, such as China."
