

KERYTH
Hi everyone! We're celebrating
because we reached 10% of our
crowdfunding goal!

ELAS
10 whole percent!

RION
Yeah!

KERYTH
And so we're answering some
questions from our listeners.

RION
We have listeners who ask us
questions?

KERYTH
Of course we do we have twelve
whole people listening to the show
now.

ELAS
That's not a lot.

KERYTH
That's a ton! Imagine twelve people
sitting in front of us listening to
our story!

RION
...that's creepy.

KERYTH
No it's not!

ELAS
It's sorta creepy.

KERYTH
Any-way, our first question
issssss- from Griff17, they want to
know our favorite places in
Ylelmore.

RION
Like... My house?

KERYTH
I don't think houses count.

ELAS
Why not!?

KERYTH
I feel like if I asked someone what
their favorite place was and they
said home I'd squint at them.

ELAS

Huh.

KERYTH

Like this-

ELAS

...that's uncomfortable,

RION

Mhmm

KERYTH

I know.

ELAS

Stop squinting at me!

KERYTH

Where's your favorite place, Elas.

ELAS

Ilpha's, it's Ilpha's!

RION

Ilpha's, why?

ELAS

Oh... Because Mx. Sylver is really nice, and they're food is good, and when I go with Ruvyn, Haryk, and Voran... I can just... Eat and listen, and I, I don't really have to talk.

Long silence

KERYTH

That's kinda sad, Elas.

ELAS

No it's not!

RION

It's pretty sad.

ELAS

Well, what's your favorite place?

RION AND KERYTH

The riverfront.

ELAS

What?

RION

I like the riverfront, and going fishing, and swimming in the summer and stuff.

ELAS

Oh.

KERYTH

Also sometimes the selkies pass through if they're doing something fun and then it's really cool, even if it sorta smells like well... Seal.

ELAS

Is that a bad thing?

RION

They eat a lot of fish and stuff and sometimes the water they go through isn't exactly clean. They're really nice though.

KERYTH

The nicest!

ELAS

And where's your favorite place?

KERYTH

Mine? Uh... It used to be the coven... And I can't say home, so...

RION

It's the forest isn't it?

KERYTH

Shut up. I don't get it either! I should hate it but it sorta feels like... Going to a home I didn't realize I missed. Oh! And there's the Man at the Edge of the World too!

ELAS

Oh, how are they?

KERYTH

Good! They call me KeyKey now, I think it's cute.

RION

Uhm...the second question is what's the best flavor of ice cream, from Beka. Uh... Pecan pie.

KERYTH

Cookies and Cream!

ELAS

I... I don't really like ice-cream

KERYTH
What?? But the Yeti hunt!

ELAS
Oh, I just... There was a trophy.

RION
You did all that for a trophy?

ELAS
You guys did too!

KERYTH
A trophy *and* ice cream!

ELAS
I just don't like how it tastes.

KERYTH
Blasphemy!

ELAS
And I'm bad with cold things.

RION
Keryth we gotta sacrifice them.

ELAS
Rion?

KERYTH
Yeah, sorry Elas.

ELAS
What??

RION
I got their legs.

KERYTH
I've got their arms.

ELAS
Stop wait, where are we going??
