

Warrawee Function Centre

BY CAR

Driving south on the Pacific Highway, 1.6km from the F3 exit, find our driveway on the left between Borambil St. and the lights at Fox Valley Road.

Drive down the ramp just after the Croquet green on the left and come past the front door of the Club to the parking area marked in blue.

If this car park is full, proceed out the exit following the green line around the block to the rear car park. Walk the red lines to enter the club

BY TRAIN

Catch an all-stops train on the North Shore Line, and alight at Warrawee Station.

When coming up the stairs of the station turn right and walk to the road. Veer left and down the road until you see our car park sign on your right.

Walk through the car park and up to the Club through the grassed area between the greens.
